Me Myself And Why Searching For The Science Of Self:

Me, Myself, and Why Jennifer Ouellette, 2014-01-28 As diverse as people appear to be all of our genes and brains are nearly identical In *Me Myself and Why* Jennifer Ouellette dives into the miniscule ranges of variation to understand just what sets us apart She draws on cutting edge research in genetics neuroscience and psychology enlivened as always with her signature sense of humor to explore the mysteries of human identity and behavior Readers follow her own surprising journey of self discovery as she has her genome sequenced her brain mapped her personality typed and even samples a popular hallucinogen Bringing together everything from Mendel s famous pea plant experiments and mutations in *The X Men* to our taste for cilantro and our relationships with virtual avatars Ouellette takes us on an endlessly thrilling and illuminating trip into the science of ourselves

Creation Stories in Dialogue: The Bible, Science, and Folk Traditions Jan G. van der Watt, R. Alan Culpepper, 2015-11-02 This book is about creation stories in dialogue not only between different religious views but also between current day scientific perspectives International specialists like Alan Culpepper David Christian John Haught Randall Zachman Ellen van Wolde from various disciplines are reflecting on the interface between science and religion relating questions of creation and origin This multi disciplinary discussion by some of the leading exponents in this field makes the book unique not only in its depth of discussion but also in its wide ranging interdisciplinary discussion The point of departure of all the contributions is the prestige lecture by Alan Culpepper where he argues for bringing Biblical material into discussion with modern scientific insights relating to creation and origin

The Voice of Public Theology Ted Peters, 2022-11-07 Public theologians are already thundering like prophets at climate change and racial injustice But the gale force winds of natural science blow through society as well The public theologian should be on storm watch

Routledge International Handbook of Consumer Psychology Cathrine V. Jansson-Boyd, Magdalena J. Zawisza, 2016-11-18 This unique handbook maps the growing field of consumer psychology in its increasingly global context With contributions from over 70 scholars across four continents the book reflects the cross cultural and multidisciplinary character of the field Chapters relate the key consumer concepts to the progressive globalization of markets in which consumers act and consumption takes place The book is divided into seven sections offering a truly comprehensive reference work that covers The historical foundations of the discipline and the rise of globalization The role of cognition and multisensory perception in consumers judgements The social self identity and well being including their relation to advertising Social and cultural influences on consumption including politics and religion Decision making attitudes and behaviorally based research Sustainable consumption and the role of branding The particularities of online settings in framing and affecting behavior The *Routledge International Handbook of Consumer Psychology* will be essential reading for anyone interested in how the perceptions feelings and values of consumers interact with the decisions they make in relation to products and services in a global context It will also be key reading for students and researchers across psychology and marketing as well as
