Overtime A Basketball Parable:

Overtime Larry Ellis, 2016-08-26 It's unlike anything you've read before Carl Campbell lived for one thing basketball. Regrets plenty. But only after he is dead. In the latest novel by Larry Ellis *Overtime: A Basketball Parable*, Coach Carl Campbell post mortem sits on a bench behind the goal of a run-down outdoor basketball court and reflects on his life as he watches young versions of his former players shoot hoops. It is a kind of purgatory that forces Campbell to reevaluate the decisions he made and the opportunities he missed, hoping to find a sliver of redemption. In *Overtime*, there are basketball scenes, but it's not a sports book. There is unrequited love, but it's not a romance. And of course, there is the spirit ghost of Carl Campbell, but it's not a paranormal mystery. It's just a good story with unusual characters that will stay with you long after you've finished the book.

The Greatest Basketball Story Ever Told, 50th Anniversary Edition Greg Guffey, 2003-08-21 Nothing in basketball beats Hoosier Hysteria, and this true-life Cinderella story of the 1954 Milan Indians has it all: courage, heart, suspense, and triumph. Greg Guffey brings the team and its championship odyssey to life again in this action-packed book. A great read. Digger Phelps. With the release of the movie *Hoosiers* starring Gene Hackman, the whole world discovered the Milan Miracle. The true story of the Milan miracle is even better, and Greg Guffey tells it here in graphic and gripping detail. Here we get to know the real Coach Marvin Wood and the remarkable group of high school players who defeated mighty Muncie Central. In his new introduction, Guffey talks about the switch to class basketball in Indiana and the legacy of this story for the town and for the legendary team.

A New Jersey Basketball Story Fred Cerrato, 2025-03-13 Before there were Steph Curry and Caitlin Clark, there were Bobby Pisano and Kathy Cunningham. Bobby Pisano survives a near-death experience at an early age and discovers his love for basketball. He becomes a scoring phenom for his elementary school. In his first organized game as a sixth grader, he scores twenty-nine points and outscores the opposing team. His torrid scoring continues against all of the other schools. Kathy Cunningham loves basketball, but her girl friends do not. She must play against the boys to get better. Kathy and Bobby become friends after she challenges him to a game in the park. After that fateful game, they decide to help each other improve their skills by meeting at the park or the YMCA in town. Sister Eugene allows Kathy to play for St. Bridget's as a sixth grader, and she rewards Sister Eugene by becoming the team's high scorer. The exploits of Pisano and Cunningham result in a newspaper article in the town paper. The Bellevue boys' high school basketball coach Carl Doby, who has been through so many failed seasons, is suddenly energized, having Pisano as a stellar player. The games are exhilarating, and to Doby's delight, his team is suddenly winning every game. Kathy Cunningham is also leading the girls' team to an undefeated season. Bobby and Kathy find that their affection for each other can no longer be ignored, even though cheerleader Marilyn Raimondo thinks Bobby is gorgeous, and Danny Berry seemingly stalks Kathy in Chemistry Class and in the cafeteria. As their teams advance to the State Championship game, there is also time for fun. If you love basketball, you will love this book.
