### Important Notes to Owners and Drivers

**About This Manual:** Please keep this manual in your vehicle, so it will be there if you ever need it when you're on the road. If you sell the vehicle, please leave this manual in it so the new owner can use it.

This manual includes the latest information at the time it was printed. We reserve the right to make changes in the product after that time without further notice. ### Model Reference

This manual covers Conventional Cab models. When they leave our hands, most look like this:

TYPE	MODEL
	CBH642 CTH642
	CTH694

Most are unfinished, as in these pictures, when we sell them. In this manual, we cover what we know. However, since Conventional Cab models are finished in a wide variety of ways by a number of different companies, you'll probably find another manual in your vehicle put there by the other company or companies that finished your vehicle. Also, you may have a manual that covers the engine, transmission or other components in your vehicle. Be sure to read all the manuals that come with your vehicle, as well as this one, so you can get all the facts you need.
