The Charge Brendon Burchard, 2012-05-15 Since the fateful night of his car accident Brendon has lived a fully charged life and he's helped millions of people around the globe transform their lives and feel more alive engaged and fulfilled In The Charge Brendon argues that the only way to measurably improve the quality of your life is to learn how to activate the very ten drives that make you most human These drives are your desires for more control competence congruence caring connection change challenge creative expression contribution and consciousness These drives shape everything you think feel and do in life so understanding and mastering them is critical to your success and happiness Strategically activating these drives on a consistent basis is the fastest path to living a fully charged life Harnessing our human drives is not easy if it were we wouldn't see so much restlessness in the world That's why Brendon has devised what he calls the true activators of human experience a series of powerful yet simple actions you can take to radically increase your levels of energy engagement and fulfillment in all areas of your life What Brendon uncovers in The Charge will surprise and challenge you It turns out that most of the ways we seek to meet our human drives are actually counterproductive We all want more control for example but seeking to have more certainty in our daily lives or to control other people will actually decrease our levels of control and happiness We have a deep desire for change too but we often fail to make the right kinds of change that would make us feel more alive and in command of our lives In The Charge Brendon helps us overcome these mistakes and illuminates the path for strategically and intelligently activating our 10 human drives so that we can have the one thing we all want more life in our lives Brendon Burchard is the founder of High Performance Academy and author of the 1 New York Times and 1 USA TODAY bestselling book The Millionaire Messenger He is also the author of Life's Golden Ticket and one of the top motivation and high performance trainers in the world His famous training events and videos inspire millions of people to find their charge share their voice and make a greater difference
