COVER LETTER

Dear Hiring Manager,

Joining the team at Target would not only align with my professional goals but also offer a stage to contribute meaningfully to your customer-centric ethos through my proven track record in sales and customer service.

At Rerun, a second-hand store with a diverse customer base, I spearheaded a team of eight, where we transformed productivity by 30% through the automation of workflows. This initiative not only streamlined internal processes but also allowed us to exceed our monthly sales targets consistently, at one point reaching the milestone of \$100,000. These measured achievements reflect my capacity to drive results while optimizing team performance, directly correlating with the expectations highlighted for the role at your esteemed company.

I am eager to discuss how my background, skills, and commitments to success could positively impact the Target team. Let's schedule a meeting to further examine how we can collaborate towards the continuous growth and excellence of your brand.

Sincerely,

Payton Webster

Team Lead
