*Technical Support Essentials* Andrew Sanchez, Karen Sleeth, 2010-09-08 *Technical Support Essentials* is a book about the many facets of technical support. It attempts to provide a wide array of topics to serve as points of improvement, discussion, or simply topics that you might want to learn. The topics range from good work habits to the way technical support groups establish their own style of work. This book applies theories, models, and concepts synthesized from existing research in other fields such as management, economics, leadership, and psychology and connects them to technical support. The goal is to build on the work of others and allow their success to evolve the profession. The book's broad perspective looks at proven practices, legal issues dealing with customers, utilizing resources, and an array of other topics of interest to tech support professionals.

**Technology and Business Model Innovation: Challenges and Opportunities** Bahaaeddin Alareeni, Allam Hamdan, 2024-03-16 This book's proceedings address a crucial gap in understanding the impact of technology on Business Model Innovation (BMI). It emphasizes the need for further research to explore the intricate relationship between technology and BMI, focusing on opportunities and challenges. By delving into how technology influences emerging business model innovations and enhances operational efficiency, the publication aims to advance knowledge. Inviting diverse research methods, it sheds light on various ideas within the technology and BMI realm. Tailored for students, scholars, professionals, and policymakers, this book contributes to the evolving field of BMI and technology.

One Customer, Divisible Michael W. Lowenstein, 2005 Are you getting the most from your customers? Discover how one book could teach you how to optimize your customer relationships. In fact, it goes significantly beyond traditional thinking and approaches to CRM and customer loyalty to emphasize a key leveraging factor largely missed by most marketers thus far: Using individual customer data on a purchasing situation or venue-specific basis to provide the highest level of perceived value. Specifically, what information should a marketer gather from and about customers and how to manage it, how to share it, how to apply it, customer by customer and situation by situation.
