*Strategic Business Management in Crisis Times* Geetanjali Varrier,2025-01-03 Strategic Business Management in Crisis Times explores the vital role of strategic management in navigating unstable and unpredictable environments such as a pandemic. This book addresses the complexities and importance of applying strategic management effectively during volatile situations, providing a comprehensive guide from basic principles to detailed applications. We delve into the history of strategic management during pandemics, examining its impact on businesses and livelihoods. The book highlights how poor strategic management can undermine authority and offers insights on leveraging effective strategies even amid crises. Through global case studies and live discussions with entrepreneurs, readers gain a thorough understanding of strategic management practices in challenging times. The book also covers new strategies developed during the COVID 19 pandemic and revisits historical strategies for managing businesses and livelihoods. It combines conceptual knowledge with practical tips, suggestions, and actionable points, making it a valuable resource for comprehending and applying strategic management in crises.

*Diseases of Poultry* Aly M. Fadly, J.R. Glisson, L.R. McDougald, L.K. Nolan, David E. Swayne, 2009-04-13 Now in its Twelfth Edition, *Diseases of Poultry* continues its tradition of excellence as the definitive reference of poultry disease. Following the same user friendly format, the book has been thoroughly updated to reflect the most current knowledge of avian pathology, including new coverage of genetic resistance to disease. Coverage is given to both common and uncommon diseases, and chapters are organized by disease type, including viral, bacterial, fungal, parasitic diseases, as well as others such as nutritional, developmental, metabolic, noninfectious diseases, and toxins. Each disease section provides detailed coverage of history, etiology, pathobiology, diagnosis, and intervention strategies, as well as the economic and public health significance of each disease. With a host of international authors, *Diseases of Poultry* is a must have resource for all veterinary pathologists, practitioners, agricultural managers, and industry leaders involved in poultry health and production.
