Vols for 1981 include four special directory issues. **The Social Life of Words** Laura Wright, 2022-12-05 A new approach to sociolinguistics introducing the study of the social meaning of English words over time and offering an engaging and entertaining demonstration of lexical sociolinguistic analysis. *The Social Life of Words: A Historical Approach* explores the rise and fall of the social properties of words charting ways in which they take on new social connotations. Written in an engaging narrative style this entertaining text matches up sociolinguistic theory with social history and biography to discover which kind of people used what kind of word where and when. Social factors such as class age race region gender occupation religion and criminality are discussed in British and American English. From familiar words such as popcorn porridge caf to less common words like burgoo califont etna and phrases like kiss me quick monkey parade slap bang shop. *The Social Life of Words* demonstrates some of the many ways a new word or phrase can develop social affiliations. Detailed yet accessible chapters cover key areas of historical sociolinguistics including concepts such as social networks, communities of practice, indexicality and enregisterment, prototypes and stereotypes, polysemy, onomasiology, language regard, lexical appropriation and more. The first book to take a focused look at lexis as a topic for sociolinguistic analysis. *The Social Life of Words* introduces sociolinguistic theories and shows how they can be applied to the lexicon. Demonstrates how readers can apply sociolinguistic theory to their own analyses of words in English and other languages. Provides an engaging and amusing new look at many familiar words inviting students to explore the sociolinguistic properties of words over time for themselves. Part of Wiley Blackwell's acclaimed *Language in Society* series. *The Social Life of Words* is essential reading for upper level undergraduate students, graduate students, postdoctoral researchers and linguists working in sociolinguistics, lexical semantics, English lexicology and the history and development of modern English. **Discovering Public Relations** Karen Freberg, 2020-08-04 Recipient of a 2021 Most Promising New Textbook Award from the Textbook Academic Authors Association TAA. *Discovering Public Relations* introduces students to the field of PR in a practical, applied and hands on way that prepares them for the modern workplace. Author Karen Freberg guides students through the evolution of contemporary

PR practices with an emphasis on social media digital communication creativity and diversity Understanding that innovation alone can't create success Freberg shows students how to use choose and implement evidence based practices to guide their strategic campaigns The text will transform today's students into tomorrow's successful PR professionals by giving them the tools to think creatively innovate effectively and deploy research backed tactics for successful campaigns Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides
