## **Mortgage Rates 2025:**

**Ireland** International Monetary Fund. Monetary and Capital Markets Department, 2022-11-09  
The FSAP took place against the background of a fast evolving financial sector in Ireland and heightened uncertainty in the global economy The Irish financial landscape has undergone significant changes since the global financial crisis with increasing divergence between an innovative and fast growing international finance sector and the retail banking sector that has been consolidating and faces post GFC operating restrictions and increasing competition from non bank players In the meantime both the global pandemic and Brexit have left uneven marks across the economy while there are risks from the unwinding of public support that has softened COVID 19 shock s impact on the economy Going forward various ongoing and emerging risks such as persistent inflationary pressures fueled by supply bottlenecks and the war in Ukraine may impede recovery and magnify vulnerabilities to downside shocks
