Couponing for the Rest of Us Kasey Knight Trenum, 2013-05-01 Not everyone is an extreme couponer. Most of us just want to save some money, not let clipping coupons and scouring the internet for deals take over our lives. For all the savvy shoppers out there, Kasey Knight Trenum has written *Couponing for the Rest of Us*. She knows that money is tight, food prices are going up, gas prices are closing in on unbearable, and people have better things to do than spend every spare minute if they have any, obsessing over costs and coupons. She also knows coupons just happen to be a tool that can save a family hundreds of dollars every month and ultimately improve a family's finances and its future. *Couponing for the Rest of Us* shows readers where to find coupons for what your family eats, how to make the internet do the work for you, how to find sale cycles and store match ups, and what those terms mean, how to reinvent your shopping strategy and toss your lists, how to make grocery shopping less stressful, even fun, how to turn money saved into money shared, and much more. If readers want to save money and time, this book is a gold mine. *The Underwriters' Weekly Circular, Banking and General Stock Register*, 1868
