Mobile Technologies and Handheld Devices for Ubiquitous Learning: Research and Pedagogy Ng, Wan, 2010-08-31
Mobile Technologies and Handheld Devices for Ubiquitous Learning Research and Pedagogy provides readers with a rich collection of research informed ideas for integrating mobile technologies into learning and teaching Each chapter looks critically at the issues related benefits and limitations of learning ubiquitously within the context of the research reported New and emerging technologies present challenges for education causing educators to have to rethink pedagogy boundaries and curriculum if they continue to embrace mobile technologies in their teaching *Problem Questions for Law Students* Geraint Brown, 2021-09-27 Law students rarely have experience answering problem questions before university and lecturers concentrate on teaching content rather than the exam skills needed This book bridges the gap on how to transpose knowledge and research into structured and coherent answers to problem questions while earning a law degree Aimed at undergraduates international students and foundation and SQE candidates the book gives a step by step study guide on how to navigate what a problem question is asking you to do It deconstructs the process using examples from a range of different fields of law providing essential guidance from research and critical thinking to style and tone Including a range of examples to test yourself against this is an indispensable resource for any law student who wants to tackle problem questions with confidence *Handbook of Research on Advising and Developing the Pre-Health Professional Student* Schwartz, Lisa S., Ganjoo, Rohini, 2022-04-29 Despite significant demand for healthcare professionals in the workforce admission to health professional graduate programs is highly competitive with less than half of all medical school applicants gaining admission annually The application process is nuanced complex and costly which can often be a significant barrier to otherwise highly qualified students particularly those from backgrounds underrepresented in the healthcare workforce Further understanding of the best practices in navigating the application processes academia and professional development is crucial for those advising pre health students The Handbook of Research on Advising and Developing the Pre Health Professional Student considers current practices and research regarding academic and extracurricular preparation of undergraduate students who wish to enter health professions and offers new pre health professional advisors as well as more seasoned advisors and other administrators a resource to assist them in their professional journey Covering a range of topics such as advisor relationships and lifelong learning skills this major reference work is ideal for advisors healthcare professionals academicians researchers practitioners scholars instructors and students *My City Links: June 2024 Issue* My City Links, 2024-06-10 June 4 2024 brought about what can safely be described as a tectonic shift of sorts in Odisha politics Naveen Patnaik who governed the state as Chief Minister since 2000 saw his party the Biju Janata Dal lose its grip on power after 24 long years His legacy however is set to endure much like that of his father the late Biju Patnaik Our Cover Story tries to summarize the phenomenon that is Naveen Babu as he is fondly addressed by many Music is the universal language of mankind famous

American poet Henry Wadsworth Longfellow wrote way back in 1835 This holds true even today decades of evolution and experimentation notwithstanding June 21 will be observed as World Music Day In City Lights we bring you a special feature on the music of Odisha tracing its journey over the last few decades and how it is changing thanks to the transformative effect of technology as well as social media With the summer sun blazing down it is extremely important to take steps to keep your skin safe From cleansers to moisturizers there are solutions galore these days but it is a good idea to figure out what works best for you Head to the City Fashion section to find out more With climate change and environmental sustainability becoming the buzzword there is a need to take a closer look at some concerns which generally tend to go unnoticed Among these are diapers and sanitary pads they take several years to decompose once they end up in landfills Encouraging the use of eco friendly material may be a way out to deal with this challenge Read all about it in City Green While on the subject of a greener tomorrow we also look at how cycling promotes the well being not just of an individual but also the planet as a whole City Health brings you some interesting insights on this The CBSE Class 10 and 12 results were announced recently In Campus Buzz we catch up with some of the toppers from the twin cities of Bhubaneswar and Cuttack they share their secret recipe for success

What Can You Do with Your Bible Training? Brandon C. Benziger,Adam W. Day,2023-06-23 Employment in the field of biblical studies has changed significantly in recent years and the coronavirus pandemic has only exacerbated the resulting challenges The purpose of this anthology is to inform and inspire evangelical students and graduates of biblical studies programs about the wide variety of training related vocational paths they can pursue both conventional and unconventional

The book does this by listing and categorizing twenty five relevant pathways sharing the stories and insights of insiders within each pathway and calling for further creativity in putting one's biblical training to work Each contributor shares 1 how they settled into their represented occupation 2 the ways in which they have used their biblical training in that occupation 3 the joys and trials of their work and 4 advice for those who would like to follow in their footsteps The volume stands in the tradition of several nuts and bolts like resources within the guild e.g Nijay Gupta's *Prepare Succeed Advance* and Ben Witherington's *Is There a Doctor in the House* and it seeks to develop that tradition considerably South Africa Yearbook, 2009 The Report: Myanmar 2015 Oxford Business Group, 2015-03-03 The country's location within the region and population of more than 50m will help it achieve growth with international analysts predicting Myanmar's economy to be worth up to 200bn by 2030 With elections set to take place in late 2015 the world is eagerly watching to see how things will unfold After spending decades as one of the most isolated and least developed countries in Asia Myanmar is emerging as one of the world's fastest growing economies Agriculture manufacturing and mining are some of Myanmar's top contributors to GDP which was forecast to reach 8.5% in FY2014/15 and FY2015/16 While foreign investment is accelerating there are ways in which it remains blocked As the country continues to reintegrate with the global economy continued reforms as well as the opening of more economic sectors to foreign investors will help unlock the country's potential *Academic Autoethnographies* Daisy Pillay, Inbanathan Naicker, Kathleen Pithouse-Morgan, 2016-02-10 *Academic Autoethnographies Inside Teaching in Higher Education* invites readers to experience autoethnography as a challenging complex and creative research methodology that can produce personally professionally and socially useful understandings of teaching and researching in higher education The peer reviewed chapters offer innovative and perspicacious explorations of interrelationships between personal autobiographies lived educational experiences and wider social and cultural concerns across diverse disciplines and university contexts This edited book is distinctive within the existing body of autoethnographic scholarship in that the original research presented has been done in relation to predominantly South African university settings This research is complemented by contributions from Canadian and Swedish scholars The sociocultural educational and methodological insights communicated in this book will be valuable for specialists in the field of higher education and to those in other academic domains who are interested in self reflexive transformative and creative research methodologies and methods This book illuminates how autoethnography can engage authors and researchers from varied epistemological backgrounds in a reflexive multilogue about who they are and what they do The creative representations of the lived experience of doing autoethnography sets the book apart both methodologically and theoretically revealing how rigor and critical distance can serve to position autoethnography not only as a personal self development tool but a tradition and method in its own right Hyleen Mariaye Associate Professor Mauritius Institute of Education Mauritius This compelling book foregrounds autoethnography as an innovative and creative research methodology to generate reflexive sociological
