## Oklahoma Spring Break Dates 2015:

**Fight Like a Girl** Laura Barcella, 2019-08-01 Nearly every day there's another news story or pop cultural anecdote related to feminism and women's rights. YesAllWomen conversations around consent, equal pay, access to contraception, and a host of other issues are foremost topics of conversation in American and worldwide media right now. Today's teens are encountering these issues from a different perspective than any generation has had before, but what's often missing from the current discussion is an understanding of how we've gotten to this place. *Fight Like a Girl* will familiarize readers with the history of feminist activism in an effort to celebrate those who paved the way and draw attention to those who are working hard to further the cause of women's rights. Profiles of both famous and lesser known feminists will be featured alongside descriptions of how their actions affected the overall feminist cause and unique portraits by artists' renderings of the feminists themselves. This artistic addition will take the book beyond simply an informational text and make it a treasure of a book.

**Science Is Not What You Think** Henry H. Bauer, 2017-06-16 This book discusses the ways in which science, the touchstone of reliable knowledge in modern society, changed dramatically in the second half of the 20th century, becoming less trustworthy through conflicts of interest and excessive competitiveness. Fraud became common enough that organized efforts to combat it now include a federal Office of Research Integrity. Competent minority opinions are sometimes thereby suppressed with the result that policy makers, the media, and the public are presented with biased or incomplete information. Evidence tending to challenge established theories is sometimes rejected without addressing its substance. While most would agree in the abstract that science can go wrong, few would consider despite interesting contrary evidence that official consensus about the origins of the universe or the causes of global warming might be mistaken.

### The Shale Dilemma

Shanti Gamper-Rabindran, 2017-11-30 The US shale boom and efforts by other countries to exploit their shale resources could reshape energy and environmental landscapes across the world. But how might those landscapes change? Will countries with significant physical reserves try to exploit them? Will they protect or harm local communities and the global climate? Will the benefits be shared or retained by powerful interests? And how will these decisions be made? *The Shale Dilemma* brings together experts working at the forefront of shale gas issues on four continents to explain how countries reach their decisions on shale development. Using a common analytical framework, the authors identify both local factors and transnational patterns in the decision making process. Eight case studies reveal the trade offs each country makes as it decides whether to pursue delay or block development. Those outcomes in turn reflect the nature of a country's political process and the power of interest groups on both sides of the issue. The contributors also ask whether the economic arguments made by the shale industry and its government supporters have overshadowed the concerns of local communities for information on the effects of shale operations and for tax policies and regulations to ensure broad based economic development and environmental protection. As an informative and even handed account, *The Shale Dilemma* recommends

practical steps to help countries reach better more transparent and more far sighted decisions     **Sexual Violence and Humiliation** Dianna Taylor,2019-10-10 This book presents humiliation as a key harm of sexual violence against women showing that humiliation manifests within the relation of self to itself and that Foucault's critique of subjectivity provides resources for feminist conceptualization and countering of sexual violence and humiliation Within feminist philosophy and theory rape and sexual assault are often described as humiliating to victims yet relatively few in depth feminist philosophical accounts and analyses exist of humiliation as a harm of sexual violence against women This book provides such an account and analysis of both humiliation generally and sexual humiliation resulting from sexual violence more specifically The book's elucidation of possibilities for countering sexual violence and humiliation moreover breaks with standard feminist approaches by critiquing rather than appealing to subjectivity Through analysing specific instances of anti sexual violence protest it shows that cultivation of alternative modes of self relation furthers rather than undermines feminist efforts to combat sexual violence Throughout the book draws upon concrete recent and contemporary instances of sexual violence against women and feminist anti sexual violence protest to illustrate and support its arguments This will become a key text for feminist scholars and Foucault scholars in the humanities and social sciences and for graduate and advanced undergraduate students It will also be of interest to feminist anti sexual violence activists     **The Oil and Gas Journal** ,1925     **The World Almanac** ,1892

**Law and Social Justice in Higher Education** Crystal Renée Chambers,2016-11-25 The latest volume in the Core Concepts in Higher Education series explores the complexity of law in higher education and both the limits and opportunities of how law can promote inclusivity and access on campus Through a historical and legal framework this volume discusses undergraduate students histories of inclusion and struggles for social justice in higher education by race sex social class disability and sexual orientation Bridging research theory and practice Law and Social Justice in Higher Education encourages future and current higher education and student affairs practitioners to consider how they can collaborate to further a just society Special features Discussion of case law illustrates the reach and limits of law and where higher education professionals can continue to push for social justice Accessible to non lawyers chapters highlight key legal terms and key concepts to guide readers at the beginning of each chapter End of chapter questions provide prompts for discussion and encourage student interactivity     **The World Almanac and Book of Facts** ,1894     **Lost and Stranded** Sprinkle

Timothy,2017-11-14 For anyone who spends time in the backcountry understanding not only what sorts of dangers you can run into out there but also exactly what those risks can do to you is part of being a smart well informed outdoor traveler In Lost and Stranded author Timothy Sprinkle breaks down the perils that can befall hikers hunters and other outdoor enthusiasts There are animal encounters weather events lightning strikes parasites giardia biting insects bees wasps winter hazards avalanches natural disasters forest fires hypothermia dehydration disorientation and much much more to worry about Although these risks are generally well known what's less understood by many adventurers is what exactly happens to

you when say you become malnourished in the backcountry What does it feel like How does the condition progress How long do you generally have before the body shuts down What helps or hurts when you're fighting for survival Lost and Stranded will answer these questions and many more by taking an inside look at more than two dozen outdoor hazards Each one will include a narrative section that dramatizes the experience of a certain situation based on real world events From there information from expert sources medical doctors first responders wildlife experts and others will fill in the details around exactly how each scenario plays out on the ground followed by suggestions on how to avoid or survive each risk factor making this book is a vital resource for outdoor travelers World Almanac and Encyclopedia ,1897 **Brooklyn Daily Eagle Almanac** ,1901 *Billboard Music Week* ,1946 The Billboard ,1946 **The Commercial and Financial Chronicle** ,1962 *The Working Press of the Nation* ,1988 **Worldwide Brochures** ,1996 *Journal of the Illinois State Historical Society* ,2018 **Lancaster Livestock Reporter** ,1987 **The New England Journal of Medicine** ,1994 Engineering News-record ,1950
