Neocolonialism L. Santhosh Kumar, Minu A., Barnashree Khasnobis, Preetha M., Merrin R. S., 2026-01-22 Neocolonialism in contemporary discourse has emerged as a compelling analytical lens to revisit and reassess power structures global hierarchies and cultural narratives in a postcolonial world This volume explores the intricate and often obscured mechanisms through which neocolonial influence operates economically politically culturally and intellectually redefining the contours of sovereignty and autonomy in the modern era Scholars across disciplines in the Humanities and Social Sciences have increasingly turned their attention to the praxis of identifying and critiquing the subtle continuities of colonial ideologies under the guise of development globalization and aid The interdisciplinary and multidisciplinary approaches employed in this volume challenge conventional perspectives and propose new interpretative frameworks for understanding neocolonial engagements in literature media policy and education

**The Science Fiction Handbook** Nick Hubble, Aris Mousoutzanis, 2013-11-28 As we move through the 21st century the importance of science fiction to the study of English Literature is becoming increasingly apparent The Science Fiction Handbook provides a comprehensive guide to the genre and how to study it for students new to the field In particular it provides detailed entries

on major writers in the SF field who might be encountered on university level English Literature courses ranging from H G Wells and Philip K Dick to Doris Lessing and Geoff Ryman Other features include an historical timeline sections on key writers critics and critical terms and case studies of both literary and critical works In the later sections of the book the changing nature of the science fiction canon and its growing role in relation to the wider categories of English Literature are discussed in depth introducing the reader to the latest critical thinking on the field *Patternmaster* Octavia E.
