Teaching Mathematics in Elementary and Middle School embraces active mathematics instruction and the development of  
mathematical thinking through problem solving The text challenges future teachers to prepare their K 8 students for a world  
that requires a higher level of mathematical literacy and enables them to compete in a global society Teachers will develop  
their own mathematical abilities allowing them to help students discover a rich combination of thinking processes and  
problem solving strategies raising the learning expectations for all Unique text features TIE Thought Investigation and
