**Middle School English Teacher's Guide to Active Learning** Marc Moeller, Victor Moeller, 2013-10-30 This book shows you how you can foster reflective independent thinking in your class, boost the number of students who actively participate and prevent the discussions from falling flat or degenerating into bull sessions. This volume features 20 student-centered lesson plans and includes answer keys for teachers. Each lesson plan engages students in active learning. *The Video Movie Guide 2001* Mick Martin, Marsha Porter, 2000 Presents brief reviews of more than nineteen thousand films and other videos that are available at rental stores and through mail order, arranged alphabetically by title. Also includes actor and director indexes. *Video Movie Guide 1998* Mick Martin, Marsha Porter, 1997 Reviews thousands of movies and rates each film according to a five star rating system and features cross indexing by title, director, and cast. **Focus on Text** Amy Benjamin, 2014-06-25 As schools shift to the Common Core, many English language arts teachers are left with questions about how their classrooms should look. Is fiction out? Can I still do strategy instruction? Does close reading mean deliberating on each word? Finally, there's a resource with all of these answers and more. In *Focus on Text*, bestselling author Amy Benjamin provides practical guidance on how to realistically implement the Common Core reading standards. Part I of the book examines misconceptions about the standards and what's really required. It also takes you inside classrooms to see how teachers are modifying their instruction. Part II tackles each reading standard for grades 4-8. You'll learn how to teach the standards with literary and informational texts and how to use them as a springboard for instruction in writing, language speaking, and listening. Topics include: Defining close reading and how it is different from word-by-word reading. When and how do students need to go over a text meticulously? How to use scaffolding through background knowledge to help students with challenging texts. The best instructional practices to help students increase their range of reading and level of text complexity. Ideas for teaching key concepts such as text structure, point of view, theme, stated and implied meanings, and the progression of ideas and characters. Tweaking your assessments to better align with the Common Core. How to create reading check quizzes, unit tests, and cold reading tests to see if students are growing as readers. And much, much more. Throughout the book, you'll find teaching tips and practical resources to use with students, such as question starters and sentence stems. You'll also get a wide variety of classroom examples at different grade levels and with different texts. Whether you're experienced with the Common Core or just getting started, this book will give you exciting new ideas for making them work in your own classroom so your students grow as readers. **Video Movie Guide 2002** Mick Martin, Marsha Porter, 2001 This bestselling video guide to films, serials, TV movies, and old TV series available on video is completely updated with the newest releases. Containing more than 18,000 listings, this revised edition includes 400 new entries that are detailed with a summary, commentary, director, cast, members, MPAA rating, and authors rating. **Educational Screen and Audiovisual Guide**, 1946 The Movie Guide James Pallot, 1995 The Movie Guide is the most comprehensive in-depth film reference available in a
