award category begins with a short headnote that traces the development of the award and discusses significant facts about it. The award categories are divided into sections for each year. Within the listing for a particular year are the nominees for the award, related credits, and the winner of the award. *Shale* begins with a short historical overview of the Academy of Motion Picture Arts and Sciences. Part I lists Academy Award winners and nominees by award categories with sections devoted to annual awards, other awards, and discontinued categories. Part II is a chronological index of Academy Awards. Thus, full information for an award can be located through either the type of award or the year. *Shale* concludes with appendices of academy founders, presidents, and directors of best pictures, a selected annotated bibliography, and an index. The result is the most comprehensive record of the Academy Awards available.
