Adelman, 2008 **Restorative Responses to Sexual Violence** Estelle Zinsstag, Marie Keenan, 2017-02-17 Sexual violence in all its forms is a crime for which anecdotal accounts and scholarly reports suggest victims in their great majority do not receive adequate justice or redress The theory and practice of restorative justice is rapidly developing and offers some well argued new avenues for dealings with crime in general It has the potential to be extended to cases of sexual violence and a number of small scale programmes are already underway across the world Restorative Responses to Sexual Violence examines this innovative justice paradigm in more depth in the particular context of sexual trauma and violence in order to establish the empirical realities of restorative justice approaches in cases of sexual violence and considers how such approaches could be developed adequately in the future This book is divided into two parts each representing a key area of research and practice theoretical and conceptual frameworks and justice and therapeutic perspectives This international collection brings together leading expert scholars and practitioners to offer both theoretical and practical perspectives on restorative justice and sexual violence This book will be of interest to researchers in the field of law criminology psychology social science social work and psychotherapy as well as practitioners in the fields of criminal justice restorative justice and sex offender and victim trauma therapies *Victims and Restorative Justice* Inge Vanfraechem, Daniela Bolívar Fernández, Ivo Aertsen, 2015-05-15 Restorative justice aims to address the consequences of crime by encouraging victims and offenders to communicate and discuss the harm caused by the crime that has been committed In the majority of cases restorative justice is facilitated by direct and indirect dialogue between victims and offenders but it also includes support networks and sometimes involves professionals such as police lawyers social workers or prosecutors and judges In theory the victim is a core participant in restorative justice and the restoration of the harm is a first concern In practice questions arise as to whether the victim is actively involved in the process what restoration may entail whether there is a risk of secondary victimisation and whether the victim is truly at the heart of the restorative response or whether the offender remains the focal point of attention Using a combination of victimological literature and empirical data from a European research project this book considers the role and the position of the victim in restorative justice practices focusing on legislative

organisational and institutional frameworks of victim offender mediation and conferencing programmes at a national and local level as well as the victims personal needs and experiences The findings are essential reading for academics and students engaged in the study of justice victimology and law The publication will also be valuable to policymakers and professionals such as social workers lawyers and mediators **Monash University Law Review** Monash University.
