accepted to feel as if she belongs and to know that God loves her was her focus for she was a lost soul as one of five children Little did she know that all along there were signs and messages from God from the Universe God had a plan for her God was paying attention to her prayers and dreams God was listening Now it was time for her to start loving her true self and to listen to God Pure ecstasy exhilaration over the top sensations of divine love came to her These are the gifts from God and the angelic realm You too can experience these signs and messages and receive the gifts from God just follow her lead as she shows you the way Full of her visions messages and dreams the book shows you how to follow patterns and lessons that God has planned out for you To live as One to know LOVE NEVER DIES and to know that you are a co creator is her message to all humanity Proceedings American Association for the Advancement of Science,1886 The American Antiquarian and Oriental Journal Stephen Denison Peet,J.
