

Chapter 1

- Discuss the meaning of isolation and being outcast.
- Discuss what human conditions/situations may lead to isolation in contemporary society, even within the microcosm of the school.
- Discuss why Kafka chose to have Gregor change into a dung beetle. Evaluate what has affected Gregor so negatively.

Metaphorically, what does it mean to be a "bug"?

Describe Gregor's room. What is the picture hanging on the wall?

Describe Gregor's own attitude and his reaction to his new predicament.

Describe what life was like for Gregor before his metamorphosis, at home and on job.

Describe everyone's reaction as they see Gregor come out of his room.

In what ways do you think Gregor was like a "bug" even before his metamorphosis?

Chapter 2

Describe how and what Gregor eats.

What is his family situation like?

How does Gregor's sister treat him differently from the way he is treated by his parents?

How does Gregor entertain himself?

Why doesn't Gregor want his furniture moved out?

What kind of changes does Gregor notice in his father?

- Discuss: As the story progresses, Gregor's family responds in a way which surprises us. We expect kindness and maybe curiosity, but not fear and hatred. Look at the family as a catalyst for his change and his continual loss of human memory and instinct. This evaluation covers character motivation. Look at the motivations of each family member.
- Gregor's father is especially violent towards him and inflicts a terrible physical injury. What may this symbolize?
- Discuss how the starvation could also be symbolic.

Chapter 3

How does Gregor's family try to make life seem "normal" for themselves?

What prevents the family from moving to a smaller apartment?

How do they try to manage financially?

How has Gregor's attitude toward his family changed?

How has Grete's treatment of Gregor changed? Give some examples.
