So many other miscellaneous topics too are now being asked in the form of puzzles. The number of questions being asked on puzzles ranges from 60 to 65 percent of the total number of questions in the Reasoning Section. So it is now very obvious that the strategy of ignoring questions based on puzzles thereby solving other questions won't be working anymore as neglecting questions on puzzles can risk the likelihood of you clearing the sectional cut off or scoring satisfactory marks in the Reasoning Section. It is already known to all the aspirants that Puzzles Seating Arrangement form the most important part of the Reasoning Section as they carry the highest weightage among the other topics. So considering all the significance that these portions carry this eBook would provide all the necessary help and guidance in clearing the given sections smoothly.
