

Inside Out

Charlotte, a bright-eyed, spunky 11-year-old, is the only one who can see the "inside" of people. She can see their fears, their secrets, their pasts, and their futures. She can see the "inside" of her best friend, the "inside" of her parents, and the "inside" of the people she meets. But when Charlotte's parents are killed in a car accident, she is left alone with her younger brother, Sam, and her grandmother, who is unable to care for them. Charlotte must learn to take care of herself and her brother, while trying to keep her "inside" world a secret from the world outside.
