**Messy Faith** A. J. Gregory,2008-10-01 While most of us trudge toward the cross with the best intentions at times our lives just don t pan out the way we ve planned Messy Faith addresses the muddled adventure that we call working out our salvation It is being sure and unsure whole and broken warring losing and winning It is being right and being wrong and having no clue but believing anyway And it is trusting in God to perfect the final product of our flawed human lives Author A J Gregory explores her own personal experiences and those of a handful of flawed biblical heroes and others who have endured painful or simply ordinary realities in the journey to belief This honest book will comfort anyone who has had a less than straight path to belief and those who continue to struggle    The Publishers Weekly ,2009    *Don't Mess With the Princess* Lisa Jimenez,2012-05-15 Every Woman is a Princess It is the Princess who attracts limitless possibility in business in relationships and in life And inside every woman lives a Princess That s the good news The bad news is there is something that is keeping the Princess secret silent and small There is a power that is constantly nagging the Princess to manipulate instead of manage react instead of respond and force instead of attract The startling fact is this power is not society business culture or men This power that keeps the Princess secret silent and small is women themselves In other words the only thing that keeps women from all they want in business relationships and life is THEMSELVES and the ingrained beliefs that they hold about being a woman Have you ever wondered why women make less than they re worth Why women back bite and suppress other women Why women get offended when a man holds the door for her And most importantly Why women act small when they hold the most powerful force in the universe This book is about unlocking that force It s about reclaiming your power as a women and celebrating your femininity It s about changing the beliefs you hold about being a women in business in relationships and in life Don t Mess With the Princess will help you Gain more confidence by powerfully embracing your femininity Create an extraordinary quality of life by cultivating empowering beliefs Realize your purpose ad become fiercely committee to it Learn how to manage worry doubt and fear and demolish them forever Create clarity and focus to stay motivated every day and Attract all you need to make your life work and prosper From boardroom to the bedroom when you embrace who you were designed to be as a woman you will create the most successful businesses attract loving relationships enjoy a sense of peace within yourself and give balance and harmony to the planet Are you ready to discover the Princess in you    From Hot Mess to Blessed Julie Gillies,2017-08-01 Dare to Believe Every woman struggles to believe she is who God says she is and to believe the stunning promises He whispers to her heart But when you re a hot mess and we all are to one degree or another it s hard to imagine things can be different that you can be different Author Julie Gillies has experienced broken dreams trauma and plenty of drama but she has also encountered the holy hope and promises of God She longs to help you understand your identity in Christ instead of believing I ll always be this way embrace your true significance instead of feeling less than hold on to peace instead of freaking out when hard things keep happening grasp your

God given destiny and begin walking in it It's not that God doesn't bless hot messes If that were the case where would any of us be But you don't have to remain a hot mess It's time to receive and experience God's hope and promises in a fresh way
