The Innovation

Complex Sharon Zukin,2020 New York is rapidly changing in response to a new economy but startups tech workers and venture capital are not visible unless you know where to look for them in old industrial neighborhoods on the waterfront and at events like hackathons and meetups In The Innovation Complex Sharon Zukin shows the people and places that shape the urban tech economy making cities more successful for businesses yet in some ways less livable

Amazon Natalie

Berg,Miya Knights,2019-01-03 What is the secret to Amazon's success What does the ecommerce giant have in store for the future Explore the disruptive new retail strategies of the world's most relentless retailer and gain valuable lessons that can be applied to any business in the ecommerce sector with original insight from the company as it continues to revolutionize itself even further The retail industry is facing unprecedented challenges Across all sectors and markets retailers are shifting their business models and customer engagement strategies to ensure they survive The rise of online shopping and its primary player Amazon is at the heart of these changes and opportunities Amazon's relentless dissatisfaction with the status quo is what makes it such an extraordinary retailer This book explores whether Amazon has what it takes to become a credible grocery retailer and as it transitions to bricks and mortar retailing investigates whether Amazon's stores can be as compelling as its online offering Exploring the ecommerce giant's strategies Amazon offers unique insight into how innovations such as voice technology checkout free stores and its Prime ecosystem will fundamentally change the way consumers shop Written by industry leading retail analysts who have spent decades providing research based analysis and opinion on retail strategy and enterprise technology use in retail Amazon analyzes the impact these initiatives will have on the wider retail sector and the lessons that can be learned from its unprecedented rise to dominance as stores of the future become less about transactions and more about experiences

Social TV Cory Barker,2022-06-27 Winner of the 2023 SCMS Media Industries Scholarly Interest Group Outstanding Book Award sponsored by the Center for Entertainment Media Industries On March 15 2011 Donald Trump changed television forever The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real time reactions on Twitter generating more than 25 000 tweets and making the broadcast the most watched Roast in Comedy Central history The TrumpRoast initiative personified the media and tech industries utopian vision for a multi screen and communal live TV experience In Social TV Multi Screen Content and Ephemeral Culture author Cory Barker reveals how the US television industry promised but failed to deliver a social media revolution in the 2010s to combat the imminent threat of on demand streaming video Barker examines the rise and fall of Social TV across press coverage corporate documents and an array of digital ephemera He demonstrates that despite the talk of disruption the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy Case studies from broadcast networks to tech start ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period To trace these unfulfilled promises and flopped ideas Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally marginalized amid pivots to the next big thing Yet in placing this now forgotten material in recent historical context Social TV shows how the era altered how the industry pursues audiences Multi screen campaigns have shifted away from a focus on live TV and toward all day content streams The legacy of Social TV then is the further embedding of media and promotional material onto every screen and into every moment of life
