### **Dismantling Cultural Borders Through Social Media and Digital Communications** Emmanuel K.

Ngwainmbi,2022-02-18 This book explores how social media and its networked communities dismantles builds and shapes identity Social media has been instrumental sometimes dangerously so in binding together different communities with thirteen original chapters by leading academics in the field the volume investigates how belonging togetherness and loyalty is created in the digital sphere in a way that transcends and even dismantles ethnic and national borders around the world In tandem the volume analyses the further threats to identity presented by the ease with which fabricated news and information spreads on social media resulting in many users becoming unable to distinguish credible data from junk data Social media is both creative and destructive in its influence on identity and therefore the growing fake news crisis threatens the very stability of the world s communities This book provides relevant theoretical frameworks and the latest empirical research findings in the area including diverse case studies and analyses of social media experiences in indigenous and urban communities around the world including China Africa and Central and South America

**AI and Business, and Innovation Research: Understanding the Potential and Risks of AI for Modern Enterprises** Bahaaeddin Alareeni,Islam Elgedawy,2023-12-29 This book provides a comprehensive overview of the latest trends and developments in AI and business innovation research In today s rapidly changing business environment artificial intelligence AI has become an essential tool for innovation and growth From marketing and customer service to supply chain management and product development AI is

transforming the way businesses operate allowing them to make better decisions and achieve their goals faster and more efficiently than ever before. However, the integration of AI into business operations is not without its challenges and risks. There are concerns about data privacy, cybersecurity, and the potential for AI to disrupt traditional industries and displace workers. As a result, it is essential for business leaders and researchers to understand both the potential and risks of AI and how it can be effectively leveraged for business innovation. This book explores the potential benefits of AI for modern enterprises, including how it can be used to enhance customer service, optimize supply chain management, and improve decision making in a range of business contexts. It also examines the role of AI in product development, marketing, and sales, and how it can be used to drive innovation and growth. The book also examines the risks and challenges associated with the integration of AI into business operations. It explores the ethical and legal implications of AI, including issues related to data privacy and security, bias in algorithms, and the impact of AI on employment and the labor market. It also examines the role of government and policymakers in regulating AI and managing the risks associated with its integration into business operations. Overall, this book provides a comprehensive and balanced perspective on the potential and risks of AI for modern enterprises.

*The New York Times Film Reviews*, 1984    *The Legal Studies Forum*, 2004    *Streaming Mental Health and Illness* Emily Katseanes, 2023-01-04

From mindfulness in schools to meditation apps, mental health is bursting out of the psychiatrist's chair and into our everyday conversations. As awareness of mental health increases, so does its predominance in popular culture, which makes for a particularly interesting investigation into the representation of these concerns on our most ubiquitous streaming service, Netflix. These eight essays explore how the service's original content jumps into those conversations, creating helpful or harmful messaging about the inner workings of our minds. From toxic masculinity to PTSD, adolescence to motherhood, mental health touches our lives in myriad ways. This interdisciplinary collection explores these intersections, examining how representations of mental health on our screens shape our understanding of it in our lives.

**Tractor and Gas Engine Review**, 1919    **Contemporary Media Stylistics** Helen Ringrow, Stephen Pihlaja, 2020-04-16

Media discourse is changing at an unprecedented rate. This book presents the most recent stylistic frameworks exploring different and changed forms of media. The volume collates recent and emerging research in the expanding field of media stylistics, featuring a variety of methods, multimodal source material and a broad range of topics. From Twitter and Zooniverse to Twilight and Mommy Blogs, the volume maps out new intellectual territory and showcases a huge scope neatly drawn together by leading scholars, Helen Ringrow and Stephen Pihlaja. Contributors write on topics that challenge the traditional notions and conceptualisations of media and the consequences of technological affordances for the development of media production and consumption. There is a particular focus on the ways in which contemporary media contexts complicate and challenge traditional media models and offer new and unique ways of approaching discourse in these contexts.

Memes Today Review: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. Memes Today Review : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
