*The Sporting News*, 1980    [The Revolution That Wasn't](#) Spencer Jakab, 2022-01-27 From Wall Street Journal columnist Spencer Jakab the real story of the GameStop squeeze and the surprising winners of a rigged game. Jakab adeptly skewers the popular but dangerously wrong narrative of Reddit's David thumping Wall Street's Goliath and shows how the casino always wins in the end. DeepFingRespect for an important book with lessons far more durable than GameStop's stock market levitation. Robin Wigglesworth author of *Trillions* During one crazy week in January 2021 a motley crew of retail traders on Reddit's r/wallstreetbets forum had seemingly done the impossible they had brought some of the biggest richest players on Wall Street to their knees. Their weapon was GameStop a failing retailer whose shares briefly became the most traded security on the planet and the subject of intense media coverage. The Revolution That Wasn't is the riveting story of how the meme stock squeeze unfolded and the real architects and winners of the GameStop rally. Drawing on his years as a stock analyst at a major bank Jakab exposes technological and financial innovations like Robinhood as ploys to part investors from their money within the larger story of evolving social and economic pressures. The surprising truth: What appeared to be a watershed moment a revolution that stripped the ultra powerful hedge funds of their market influence placing power back in the hands of everyday investors only increased the chances of the house winning. Online brokerages love to talk about empowerment and democratising finance while Wall Street thrives on chaos. In this nuanced analysis Jakab shines a light on the often misunderstood profit motives and financial mechanisms to show how this so called revolution is on

balance good for Wall Street But Jakab argues there really is a way for ordinary investors to beat the pros by refusing to play their game Moon Baseball Road Trips Timothy Malcolm,Moon Travel Guides,2024-09-10 Baseball is called America's pastime for a reason Experience the best of the MLB cities and stadiums with Moon Baseball Road Trips Flexible Itineraries Explore the 30 major league cities with a variety of road trip options including a Boston to DC route a loop through the Midwest a dip into Toronto a cruise along the West Coast and more Visit all the Ballparks From the ivy walls of Wrigley to Fenway's Green Monster and Dodger Stadium's gorgeous mountain views experience every ballpark in the league and dive into local fan culture Catch a Game Find valuable tips for snagging tickets and get the inside scoop on the best places to park or catch public transit where to eat and drink nearby and events like music festivals the Hall of Fame Weekend Fourth of July celebrations and more Explore the Major League Cities Get to know the MLB hometowns with full chapters on each city Pay respects to Babe Ruth in Baltimore visit Cleveland's Rock Roll Hall of Fame and stroll through the Boston Common Find the best local craft breweries and chow down on chili dogs barbecue fresh crab and more foodie specialties Hold back a tear at the Field of Dreams grab a seat for a Spring Training game or rent a kayak on the bay and try to catch a fly ball from San Francisco's Oracle Park Expertise and Know How Former baseball writer and avid Phillies fan Timothy Malcolm shares his advice for planning the perfect baseball road trip Maps and Driving Tools Detailed easy to use maps along with mileages driving times and directions with full color photos throughout A Foldout Poster Map and ballpark checklist Planning Tips Where to stay when and where to get gas how to avoid traffic and tips for driving in different road and weather conditions plus suggestions for seniors families with kids and more With Moon Baseball Road Trips practical tips local expertise and flexible itineraries you're ready to step up to the plate and hit the road About Moon Travel Guides Moon was founded in 1973 to empower independent active and conscious travel We prioritize local businesses outdoor recreation and traveling strategically and sustainably Moon Travel Guides are written by local expert authors with great stories to tell and they can't wait to share their favorite places with you For more inspiration follow moonguides on social media Predicasts F & S Index United States Predicasts, inc,1983 A comprehensive index to company and industry information in business journals
