

STUDY GUIDE QUESTIONS – *Macbeth* Act 1

**1. What is the point of the first scene literally and in reference to the whole play?**

Literally, the witches are deciding when they shall meet again. This scene sets the mood for the entire play, and introduces several major motifs: the witches (supernatural influences in the play), the idea of fair being foul, and the stormy fate of Scotland. The main character, Macbeth, is also introduced by name.

**2. What does Duncan call Macbeth when he hears Macbeth has defeated Macdonwald?**

He calls him "valiant Cousin! Worthy gentleman!" This is ironic, being said to the man who will be his murderer.

**3. Who is sentenced to death?**

The Thane of Cawdor is sentenced to death.

**4. What do the witches predict in I.iii for Macbeth? For Banquo?**

They predict Macbeth will be Thane of Cawdor and eventually the king. They predict that Banquo will be "lesser than Macbeth, and greater, Not so happy, and yet happier" and that his descendants will be kings although he will not be one.

**5. What news does Ross bring Macbeth?**

Ross tells Macbeth that Macbeth now holds the title of the Thane of Cawdor.

**6. Banquo, like Macbeth, is surprised that the witches have predicted Macbeth's new title. He is, however, leery. What does he say about the motives of the "instruments of darkness"?**

He says they often tell of good things which may happen without telling the bad consequences.

**7. Malcolm describes Cawdor's last moments before execution. What is Duncan's reply?**

You can't tell what is in a person's heart by looking at his face.

**8. Macbeth says, "Stars, hide your fires, Let not light see my black and deep desires." What are Macbeth's desires?**

He now desires to be the king, and he realizes that something will have to be done with the present king (and his sons) before his desires can become reality.

**9. After Lady Macbeth reads the letter, what does she tell us is her opinion of Macbeth, and how does she plan to help him?**

In short, Lady Macbeth thinks Macbeth could be a good king, but he lacks the hard-heartedness which would allow him to get to the position. She'll talk him into it.

**10. What is Lady Macbeth's "prayer" to the spirits after she learns Duncan is coming?**

She wants to be filled with cruelty, given a hard heart and the thick blood necessary to do what has to be done in order to make Macbeth king.
