## **Murder In Michigan's Upper Peninsula True Crime:**

*Murder in Michigan's Upper Peninsula* Sonny Longtine, 2014-02-04 Residents of the idyllic villages scattered throughout the Upper Peninsula's richly forested paradise live in quiet comfort for the most part believing that murder rarely happens in their secluded sanctuary<sup>3</sup> <sup>4</sup> but it does and more often than they realize This collection of twenty four legendary murders spans 160 years of Upper Michigan's history and dispels the notion that murder in the Upper Peninsula is an anomaly From the bank robber who killed the warden and deputy warden of the Marquette Branch Prison to the unknown assailant who gunned down James Schoolcraft in Sault Ste Marie Sonny Longtine explores the tragic events that turned peaceful

communities into fear ridden crime scenes     **Hunt To Kill** Dave Distel, Lynn Distel, 2009-12-01 Innocent Prey On November 29 1992 Judy Blake Moilanen 35 took her dogs for a walk in the north Michigan woods It was the last time she would be seen alive She was found shot through the chest a seeming hunting accident victim But state police Sergeant Bob Ball remained skeptical Naked Greed Judy's husband Bruce 37 was the beneficiary of insurance policies with accidental death clauses that would pay off 330 000 in claims Disturbing facts soon surfaced about a prior incident in which Judy had narrowly escaped being killed by a concrete block that had fallen from the roof where her husband was working On a separate occasion a fire had broken out as she and her 3 year old daughter slept alone in the house Final Justice Bruce Moilanen was a debt dodger and chiseler obsessed with a happily married woman who regarded him only as a pest For months Sergeant Ball painstakingly gathered evidence against Moilanen yet there was still no sign of a murder weapon as the trial date approached Would a youthful prosecutor be able to overcome a tenacious defense and the specter of reasonable doubt to prove that Judy Moilanen's death was anything but accidental and every bit an act of cold blooded murder Destined to be a classic a spell binding tale Green Bay Press Gazette A riveting true story of murder Minneapolis Star Tribune 16 Pages Of Shocking Photos Dave Distel was a writer editor and columnist for the Los Angeles Times for over twenty years before moving to the Upper Peninsula where he now resides with his wife and collaborator Lynn Their work has drawn attention from national media including Court TV's *Forensic Files*

*The Sweater Letter* David L. Distel, Dave Distel, 2002 Set in the Northwoods of Michigan a woman is killed on the final day of deer season 1992 It was quickly classified as a tragic hunting accident until an officer of the Michigan State Police started investigating Discovery of a letter in a sweater drawer of the victim leads to a murder investigation trial with the husband as the chief suspect True story     *Blood on the Mitten* Tom Carr, 2016-05-01

**The Rural Primitive in American Popular Culture** Karen E. Hayden,2020-11-24 The Rural Primitive in American Popular Culture All Too Familiar studies how the mythology of the primitive rural other became linked to evolutionary theories both biological and social that emerged in the mid nineteenth century This mythology fit well on the imaginary continuums of primitive to civilized rural to urbanormative backward to forward thinking and regress versus progress In each chapter of The Rural Primitive Karen E Hayden uses popular cultural depictions of the rural primitive to illustrate the ways in which this trope was used to set poor rural whites apart from others Not only were they set apart however they were also set further down on the imaginary continuum of progress and regress of evolution and devolution Hayden argues that small rural tight knit communities where everyone knows everyone and everyone is related came to be an allegory for what will happen if society resists modernization and urbanization The message of the rural close knit community is clear degeneracy primitivism savagery and an overall devolution will result if groups are allowed to become too insular too close too familiar [The Legal Thriller from Gardner to Grisham](#) Lars Ole Sauerberg,2016-11-10 This book offers a critically informed yet relaxed historical overview of the legal thriller a unique contribution to crime fiction where most of the titles have been written by professionals such as lawyers and judges The legal thriller typically uses court trials as the suspense creating background for presenting legal issues reflecting a wide range of concerns from corporate conflicts to private concerns all in a dramatic but highly informed manner With authors primarily from the USA and the UK the genre is one

which nonetheless enjoys a global reading audience As well as providing a survey of the legal thriller this book takes a gender focused approach to analyzing recently published titles within the field It also argues for the fascination of the legal thriller both in the way its narrative pattern parallels that of an actual court trial and by the way it reflects frequently quite critically the concerns of contemporary society    The Compiled Laws of the State of Michigan, 1897 Michigan,Lewis Montgomery Miller,1899    *The Compiled Laws of the State of Michigan, 1915: General index, tables* ,1899    Michigan's Upper Peninsula Sonny Longtine,2001    **Michigan Alumnus** ,1956    **Michigan Christian Advocate** ,1893    Forest and Stream ,1894    **Bench and Bar of Michigan** George Irving Reed,1897    **Michigan Police Journal** ,1962    *The Book Buyer's Advisor* Bill Ott,1990
