**Murder in Retrospect** Michael Burgess, Jill H. Vassilakos, 2005-06-30 The pleasures of mystery novels and historical fiction double when the two genres meet in a single book. This detailed guide is the first to document and describe the diverse writings in the growing body of historical mystery literature. Organized alphabetically by author name and series title the guide covers the works of approximately 70 authors and contains descriptions of more than 700 works with crime themes whether strictly in the mystery genre or a mainstream literary novel. For those who want to read historical mysteries in sequence this is an essential guide and for those seeking background information on historical mysteries to guide their reading or collection development choices this book offers a level of detail that facilitates selection. The pleasures of mystery novels and historical fiction double when the two genres meet in a single book. This detailed guide is the first to document and describe the diverse writings in the growing body of historical mystery literature. Its focus is on the best most representative most current and easily accessible publications with an emphasis on series novels. Most have been released in the past decade with select classic historical mysteries e.g. Christie's Death Comes as the End 1945 also cited. Organized alphabetically by author name and series title the guide covers the works of approximately 70 authors and contains descriptions of more than 700 works with crime themes whether strictly in the mystery genre or a mainstream literary novel. For those who want to read historical mysteries in sequence this is an essential guide and for those seeking background information on historical mysteries to guide their reading or collection development choices this book offers a level of detail that facilitates selection. Each series entry names the scene of the crime identifies the detective and his or her chief associates notes the series premise comments on characteristics features and overall series quality and discusses the critical response. Individual series titles The Cases are then listed and described in series or chronological order. Additional access to titles is provided through detailed indexes author title series and individual characters and settings time and place. Academic public and high school librarians will welcome this guide as a valuable reference readers advisory and collection development tool.

**How to Write Killer Historical Mysteries** Emerson, Kathy Lynn, 2019-06-11 The core of the book is Emerson's personal take on writing and selling historical mysteries but it also includes contributions from over forty other historical mystery writers practical advice anecdotes and suggestions for research and input from assorted editors booksellers and reviewers. For both historical mystery writers and readers This book embodies its subtitle The Art Adventure of Sleuthing Through the Past. Veteran author Emerson published her first mystery twenty three years ago and this is her thirty sixth published book. It draws on her experience in researching writing selling and sustaining both her Lady Appleton series Elizabethan England and her Diana Spaulding series 1880s U.S. This unique reference book also includes the contributions of more than forty other historical mystery writers. Their books backgrounds and settings are as diverse as Ancient Egypt and Rome antebellum New Orleans early Constantinople Jazz Age England and Australia Depression era.

Robert Reginald,2008-11-01 Nothing seemed to stop the little monsters I shot a second time wounding or killing another and then dropped the gun to the ground I pulled a slender blade from under my belt and whipped it at the little men Another couple of strikes against my legs brought me level with the filthy floor of the alley my fine clothes being soiled by the trash of the Big City and although I sliced and diced deeply into the bodies of several of my attackers I knew that I was doomed to lose this particular battle in the end There were just too many of them they would either kill or severely injure me Is this how The Phantom meets his end     *Investigating Crime in a Time of War* Thomas W. Kniesche,2025-04-12 This book takes a close look at crime fiction set in the interwar period and during the reign of terror of the Nazi regime Kniesche analyzes historical crime fiction depicting Weimar and Nazi Germany with specific questions in mind what does the text try to accomplish in regard to transmitting historical knowledge What history is told How is historical knowledge represented and conveyed in crime fiction Does the historical background provide an indispensable setting for the crime story With consideration to the degree of self reflexivity in the texts Kniesche probes how open the text is to an active participation of the reader in evaluating the historical knowledge that the text itself attempts to provide     *Murder in Retrospect* Michael Burgess,Jill H.
