**Instrumental Music Education** Evan Feldman, Ari Contzius, 2015-12-21 Instrumental Music Education: Teaching with the Musical and Practical in Harmony 2nd Edition is intended for college instrumental music education majors studying to be band and orchestra directors at the elementary, middle school and high school levels. This textbook presents a research-based look at the topics vital to running a successful instrumental music program while balancing musical theoretical and practical approaches. A central theme is the compelling parallel between language and music, including sound to symbol pedagogies. Understanding this connection improves the teaching of melody, rhythm, composition and improvisation. The companion website contains over 120 pedagogy videos for wind, string and percussion instruments performed by professional players and teachers, over 50 rehearsal videos, rhythm flashcards and two additional chapters: The Rehearsal Toolkit and Job Search and Interview. It also includes over 50 tracks of acoustically pure drones and demonstration exercises for use in rehearsals, sectionals and lessons. New to this edition: Alternative non-traditional ensembles; How to offer culturally relevant opportunities for more students including mariachi, African drumming and steel pans; More learning and assessment strategies; The science of learning and practicing; How the brain acquires information; The philosophies of Orff and El Sistema along with the existing ones on Kodály, Suzuki and Gordon; The Double Pyramid of Balance; Francis McBeth's classic system for using good balance to influence tone and pitch; Updated information about copyright for the digital age. Evan Feldman is Conductor of the Wind Ensemble and Associate Professor of Music at the University of North Carolina at Chapel Hill. Ari Contzius is the Wind Ensemble Conductor at Washingtonville High School, Washingtonville, NY. Mitchell Lutch is Associate Professor of Music and Director of Bands at Central College in Pella, Iowa.

**Critical Issues in Music Education** Harold F. Abeles, 2010 Critical Issues in Music Education: Contemporary Theory and Practice examines the rich and challenging complexities of music teaching and learning from a variety of perspectives. With individual expertise in fields including assessment, philosophical foundations, technology, mentoring, critical theory and musical development, the contributing authors are graduates or faculty at the highly regarded Teachers College of Columbia University. In this text, they link current educational theory to pedagogical inquiry of current educational practice, calling for teachers to critically reflect on such professional activities as lesson planning, curriculum design, repertoire choice and student evaluation. Designed for upper-level undergraduate and introductory graduate courses, Critical Issues in Music Education provides beginning music educators with comprehensive grounding in research-based practice. It also gives more experienced teachers new lenses to help them innovate, interpret and lead in their profession.

**FEATURES** Links theory to teaching practice through a variety of perspectives; Traces the historical, philosophical and social underpinnings of current beliefs, theories and practices; Suggests reflective tools and professional development strategies for music teachers; Includes discussion starters, project ideas and suggested readings at the end of each chapter
