and poses profound questions about the issues of motivation choice and morality The Sunday Times A writer more interested in inheriting the mantle of Pynchon and Kundera than Amis and Drabble Like much of the most interesting British fiction around at the moment Music in a Foreign Language is being published in paperback by a small independent publishing house giving hope that a tentative but long overdue counter attack is being mounted on the indelible conservatism of the modern English novel With this novel he has begun his own small stand against cultural mediocrity and to set himself up like his hero as a refugee from drabness From tinned peas and rain Jonathan Coe in The Guardian **Dwight's Journal of Music** ,1880
