Gender in Judaism and Islam

Firoozeh Kashani-Sabet,Beth S. Wenger,2015 Lone Star Muslims offers an engaging and insightful look at contemporary Muslim American life in Texas It illuminates the dynamics of the Pakistani Muslim community in Houston a city with one of the largest Muslim populations in the south and southwestern United States Drawing on interviews and participant observation at radio stations festivals and ethnic businesses the volume explores everyday Muslim lives at the intersection of race class profession gender sexuality and religious sectarian affiliation to demonstrate the complexity of the South Asian experience Importantly the volume incorporates narratives of gay Muslim American men of Pakistani descent countering the presumed heteronormativity evident in most of the social science scholarship on Muslim Americans and revealing deeply felt affiliations to Islam through ritual and practice It also includes narratives of members of the highly skilled Shia Ismaili Muslim labor force employed in corporate America of Pakistani ethnic entrepreneurs the working class and the working poor employed in Pakistani ethnic businesses of community activists and of radio program hosts Decentering dominant framings that flatten understandings of transnational Islam and Muslim Americans such as terrorist on the one hand and model minority on the other Lone Star Muslims offers a glimpse into a variety of lived experiences It shows

how specificities of class Islamic sectarian affiliation citizenship status gender and sexuality shape transnational identities and mediate racism marginalities and abjection Sons of Abraham Rabbi Marc Schneier, Imam Shamsi Ali, 2015-06-16 A prominent rabbi and imam each raised in orthodoxy overcome the temptations of bigotry and work to bridge the chasm between Muslims and Jews Rabbi Marc Schneier the eighteenth generation of a distinguished rabbinical dynasty grew up deeply suspicious of Muslims believing them all to be anti Semitic Imam Shamsi Ali who grew up in a small Indonesian village and studied in Pakistan and Saudi Arabia believed that all Jews wanted to destroy Muslims Coming from positions of mutual mistrust it seems unthinkable that these orthodox religious leaders would ever see eye to eye Yet in the aftermath of 9 11 amid increasing acrimony between Jews and Muslims the two men overcame their prejudices and bonded over a shared belief in the importance of opening up a dialogue and finding mutual respect In doing so they became not only friends but also defenders of each other's religion denouncing the twin threats of anti-Semitism and Islamophobia and promoting interfaith cooperation In Sons of Abraham Rabbi Schneier and Imam Ali tell the story of how they became friends and offer a candid look at the contentious theological and political issues that frequently divide Jews and Muslims clarifying erroneous ideas that extremists in each religion use to justify harmful behavior Rabbi Schneier dispels misconceptions about chosenness in Judaism while Imam Ali explains the truth behind concepts like jihad and Shari'a And on the Israeli Palestinian conflict the two speak forthrightly on the importance of having a civil discussion and the urgency of reaching a peaceful solution As Rabbi Schneier and Imam Ali show by reaching a fuller understanding of one another's faith traditions Jews and Muslims can realize that they are actually more united than divided in their core beliefs Both traditions promote kindness service and responsibility for the less fortunate and both religions call on their members to extend compassion to those outside the faith In this sorely needed book Rabbi Schneier and Imam Ali challenge Jews and Muslims to step out of their comfort zones find common ground in their shared Abrahamic traditions and stand together and fight for a better world for all Muslim and Jew Aaron W Hughes, 2018-11-06 Muslim and Jew Origins Growth Resentment seeks to show how and why Islam and Judaism have been involved in political and theological self definitions using the other since the seventh century This short volume provides a historical and comparative survey of how each religion has thought about the other and in so doing about itself It confines itself to those points at which Judaism and Islam intersect and cross pollinate and explores how this delicate process continues into the present with the Israeli Palestinian conflict Muslim and Jew thus seeks to move beyond the intersection of a monolithic Judaism and a monolithic Islam and instead examines and organizes the messiness of the encounter as both religions sought to define themselves within from and against the other What Jews should know about Islam and Muslims Abdelwahab Hechiche, 2002 **Locating the Silent Muslim Majority** Raquel Ukeles, 2003

American Muslims Asma Gull Hasan, 2000 The author provides information about the Islamic religion as it is practiced by the majority of American Muslims discusses the ways in which Islam is often perceived and portrayed in the U.S. and shares

personal stories about her life and family *Islamic Values in the United States* Yvonne Yazbeck Haddad, Adair T. Lummis, 1987 This ethnography of immigrant Muslims examines five Northeastern communities providing an intimate look at what it means to be a practicing Muslim in America at a time when Islam is in the forefront of international news

Somewhere Between Islam and Judaism Aaron W. Hughes, 2021 Somewhere Between Islam and Judaism is of interest to scholars and students of religion concerned with comparison and those studying Islam Judaism and Jewish Muslim relations The essays collected in this volume provide a set of critical reflections on what it means to study these two religious traditions within the larger context of the academic study of religion
