**Teacher/Pizza Guy** Jeff Kass,2019-08-26 Explores the emotional and physical labor necessary to work nights as a pizza delivery driver and days as a high school English teacher Teacher Pizza Guy is a collection of autobiographical poems from the 2016 17 school year in which Jeff Kass worked as a full time English teacher and a part time director for a literary arts organization and still had to supplement his income by delivering pizzas a few nights a week In the collection Kass is unapologetically political without distracting from the poems themselves but rather adds layers and nuances to the fight for the middle class and for educators as a profession The timing of this book is beyond relevant As a public high school teacher in America Kass s situation is not uncommon In September 2018 Time published an article detailing how many public school teachers across the country and in a variety of environments work multiple jobs to help make ends meet Teacher Pizza Guy chronicles Kass s experience of teaching directing feeding people and treading the delicate balance of holding himself accountable to his wife and kids his students his customers and his own mental and physical health while working three jobs in contemporary America The journey of that year was draining at times daunting at times satisfying but always surprising Many of the ideas for these poems were initially scribbled onto the backs of pizza receipts or scratched out during precious free moments amidst the chaos of the school day A driving force behind the book is Philip Levine s poem What Work Is which Kass believes attempts to examine not only the dignity and complexity of what we think physical tangible work is but also the exhausting albeit sometimes fulfilling nature of emotional work Teacher Pizza Guy is a funny and relatable collection for readers thinkers educators and pizza lovers everywhere
