My Best Self Kathleen V. Hurley, 1993-05-14 The authors of the popular What s My Type break through to a dramatic new level of Enneagram work by exploring the Original or Hidden Wound and outlining the recovery of our Repressed Center the key to releasing our power to love ourselves love others and put our unique talents to work in the world Reclaiming the Hidden Self or Repressed Center completes heals and integrates our personality Through real life examples and questions for personal or group use the authors detail this soul making process by which we become rounded capable of love and empowered to create and contribute Hurley and Dobson explor the three centers of human intelligence the Intellectual the Relational and the Creative and how they operate in our lives Each of the nine personality types prefers one center relies on another for backup support and represses one center altogether The Enneagram challenge is to recover the lost resources of our personality s repressed center Freed to be fully intellectual creative and relational in our living we become able to achieve harmony joy love and creativity      The Musician's Journey Jill Timmons, 2023 The Musician s Journey escorts musicians performing artists music teachers and advanced music students along the road toward a successful career offering a vast array of resources to guide them from envisioning the process to achieving the practical details Jill Timmons provides key tools throughout the journey from sources as diverse as the world of myth to current brain research which illuminate compelling real world examples of music entrepreneurs who forged their own paths to success In addition to chapters on careers in higher education guidance in how to develop a dynamic business plan and effective time management this expanded second edition includes up to date strategies for meeting the challenges of today s current marketplace including a greatly expanded section on grant writing and financial development The new edition also offers a new collection of diverse and inspiring stories taken from interviews with a range of successful musicians along with personal narrative from the author s work as a professional musician and consultant There is also an extensive bibliography of additional resources and the companion website offers downloadable worksheets and questionnaires to assist the reader in igniting their own thriving musician s journey      **The Holy Trinity and the Law of Three** Cynthia Bourgeault, 2013-07-09 Just as she s done in her previous books Cynthia Bourgeault asks us to take a look at an idea from traditional Christianity this time the formula of Father Son and Holy Spirit as though we re looking at it for the first time And as usual she reveals it to be something we hadn t expected at all She finds in the idea of the Holy Trinity a striking vision of the nature of reality What she claims in a nutshell is that embedded within this theological formula that Christians recite mostly on autopilot lies a powerful metaphysical principle that could change our understanding of Christianity and give us the tools so long and so sorely needed to reunite our shattered cosmology rekindle our visionary imagination and cooperate consciously with the manifestation of Jesus s Kingdom of Heaven here on earth She looks to the history of Christian theology to her own years of contemplative practice and to the ideas of G I Gurdjieff Her tone is as ever as accessible as it is compelling and it s a wild ride I will do my

best to make the ride as smooth as possible she says but in the end my commitment is to getting there because I know beyond all personal doubt that there is indeed a ham radio concealed inside this Trinitarian tea cupboard And in the midst of this long winter of our Christian discontent when spiritual imagination and boldness are at an all time low and the church itself hovers at the edge of demise for lack of an animating vision perhaps now more than ever the time is ripe to remove the packing boards from this tea cupboard and release its contents **Leadership by the Number** Jon E.
