The mission of the Oregon Medical Board is to protect the health, safety, and well-being of Oregon citizens by regulating the practice of medicine in a manner that promotes access to quality care. Before being granted a license, an applicant must be familiar with the laws and rules governing the practice of medicine in Oregon as well as the Board's Statements of Philosophy regarding important issues in the practice of medicine. This open book exam serves as an introduction to the Oregon laws and guidelines. Familiarizing yourself with these regulations will help you avoid problems in your practice that must be addressed by the Board.

There is only ONE correct answer to each question. This is an open book examination and is meant to be educational. However, you will be required to repeat the exam if you miss four (4) or more questions. Three failures to pass the examination will require an interview with a Board member or Board staff.

1. By law, a person is practicing medicine and must have an Oregon medical license when:
- ☐ a. Advertising or otherwise representing to the public that the person is authorized to practice medicine in Oregon.
  - ☐ b. Performing independent medical examinations.
  - ☐ c. Examining or diagnosing for the purpose of teaching medicine.
  - ☐ d. Acting as Medical Director for any health organization.
  - ☐ e. All of the above.
2. A licensed health care professional is required by law to report information which appears to show that another licensee is or may be:
- ☐ a. Medically incompetent.
