Organised Sexual Abuse

**Independent Inquiry into Child Sexual
Abuse (Great Britain)**

Organised Sexual Abuse:

Organised Sexual Abuse Michael Salter, 2012-11-12 Organised Sexual Abuse offers a comprehensive interdisciplinary investigation of this phenomenon Since the early 1980s social workers and mental health professionals around the globe have encountered clients reporting sexual abuse by organized groups or networks These allegations have been amongst the most controversial in debates over child sexual abuse raising many unanswered questions Are reports of organized abuse factual or the product of moral panic and false memories If these reports are true what is the appropriate response The fields of child protection and psychotherapy have been polarised over the issue And although cases of organized abuse continue to be uncovered a reasoned and evidence based analysis of the subject is long overdue Examining the existing evidence and supplementing it with further qualitative research in this book Michael Salter addresses the relationship between sexual abuse and organized abuse questions over the veracity of testimony the gap between the policing response to sexual abuse and the realities of child sexual exploitation the contexts in which sexually abusive groups develop and operate the role of religion and ritual in subcultures of multi perpetrator sexual abuse as well as the experience of adults and children with histories of organized abuse in the criminal justice system and health system Organized Sexual Abuse thus provides a definitive analysis that will be of immense value to those with professional and academic interests in this area **Organised**

Sexual Abuse Michael Salter, 2013 This book examines the sexual abuse of children by groups or networks It reviews the debates and controversy surrounding organised abuse and examines case studies of 21 adults in Australia who experienced organised sexual abuse in childhood Themes discussed include the relationship between sexual abuse and organised abuse debates on allegations and recovered memories police responses the contexts in which sexually abusive groups develop and operate the role of religion and ritual in subcultures of organised sexual abuse and the experience of adult and child victims in the criminal justice system and health system **Child Sexual Exploitation After Rotherham** Angie Heal, Adele

Gladman, 2017-04-21 Written for professionals and managers working across children's services this book examines the recent case of widespread child sexual abuse which took place in Rotherham over many years despite cases being reported to the police It examines what went wrong and provides recommendations for improving responses throughout children's services **Organised Abuse** Peter C. Bibby, 1996 This is the first Anglophone book covering the whole spectrum of

organised abuse It is intended to give the reader a basic understanding of how paedophiles work how to intervene successfully and issues for the children their families front line staff their managers and the wider community including international perspectives **The Extent and Nature of Organised and Ritual Abuse** Jean Sybil La Fontaine, Great

Britain. Department of Health, 1994 Although the problem of organized abuse in England and Wales is relatively small and the number of cases in which ritual satanic abuse is alleged accounts for less than 10% of this minority of cases it is an issue which arouses much public controversy Grappling with Smoke Bernard Gallagher, 1998 The past five years have seen

increased recognition of the scale of organized child sexual abuse Summarizing interviews with police officers social services department staff and voluntary sector staff this report examines investigations into 13 community based five institution based and two family based cases of organized abuse The report considers the implications for multi disciplinary practice

Counselling Adult Survivors of Child Sexual Abuse Christiane Sanderson, 1995 *Counselling Adult Survivors of Child Sexual Abuse* addresses the myths and mysteries while propelling a lifeline to both the health professional and the adult survivor This is probably the most complete book on sexual abuse in publication *Nursing Ethics* If you're looking for a comprehensive overview of theory and practice in this hugely important area of work then look no further a useful resource book which would make a thoughtful and thorough introduction for trainee clinical and counselling psychologists or those looking to familiarise themselves with the range of issues in this area of work *Changes An International Journal of Psychology and Psychotherapy* significant in its frank honest explication of the problem society faces when children are sexual victims and challenges psychologists to treat this systemic problem with all the resources available to them The significance of this work is the comfort it provides to those who are searching for normalization of their experiences the honesty in addressing the very existence of ongoing sexual abuse of children our shared societal responsibility for potentially or inadvertently tolerating abuse and a sense that there is a group of persons with whom survivors can identify *Contemporary Psychology* a comprehensive guide to the background theory and treatment of survivors of abuse which tackles the thorny issue of false memories with sound advice about the role of the counsellor It has an easy readable style with just enough summarising of previous chapters to allow them to be read separately making it an enjoyable and worthwhile book to read or refer to I particularly liked the separation of objectives approaches and techniques in dealing with treatment which gave the book enormous clarity *Counselling* comprehensive and useful very readable and would be especially useful for anyone who is just entering this field and wishes to explore all the options and provide their client with the best possible service *Community Care* gives an overview of the literature on theories of sexual abuse its impact and long term psychological consequences and an examination of different models of treatment *Journal of Family Therapy* this excellent book strikes a good balance between theory data and practical advice for workers and includes illustrative case material and practical strategies for counsellors It conveys both the experiences of survivors and the enormous amount that can be achieved It is a stimulating and optimistic book which would be suitable for all workers in this important area *Criminal Behaviour and Mental Health* This book is academically sound and is all embracing in its treatment of its subject matter It is an excellent resource book and would be recommended reading for any person wishing to embark on research in this field All counsellors may indeed learn something from it *Counselling Newsletter* well organized clear carefully reasoned and documented a thorough helpful and sensible book providing a readable overview of knowledge on the topic While the text is aimed at professionals Sanderson's style appeals to other concerned individuals including survivors and those who support them *FVSAB* This

revised edition includes new information and data on the incidence of child sexual abuse and looks more closely at the complexities of sexual abuse by female abusers. An entirely new chapter on False Memory Syndrome is included in this edition which presents both clinical and scientific arguments pertaining to the retrieval of memories as well as analysing the impact of the application of this syndrome not only on victims and survivors but also on therapists and society as a whole. *Counselling Adult Survivors of Child Sexual Abuse* examines the theories which attempt to account for the occurrence of child sexual abuse, explains the traumatic impact of child sexual abuse, looks at the ways in which these effects can be ameliorated and the adult healed. Treatment techniques and the role of the counsellor in employing these techniques are also discussed in such a way that the counsellor can make use of the book not only as a review of current theory but also as a practical handbook for use with clients who may be adult survivors of child sexual abuse.

Adult Accounts of Organised Child Sexual Abuse in Australia Michael Salter (Ph. D.), 2010. Organised abuse is an uncommon form of child abuse, however it has been one of the most controversial issues in debates over child abuse, memory and the law. This thesis documents and analyses accounts of organised abuse from twenty-one adult survivors in order to develop a deeper understanding of the range of circumstances and contexts in which organised abuse arises and the forms of abuse to which children are subjected in organised contexts. I draw from a range of feminist and critical masculinity theorists to consider how organised abuse contributes to and crafts relations between men, women and children and how such profoundly abusive relations emerge out of everyday institutions such as the family and school. Within the sexual subcultures of abusive groups, the structured powerlessness of children signifies them as potential objects of exchange between men who seek to affirm masculine domination and accrue status and prestige through shared performances of control, transgression and sexual violence. Whilst the violence of these performances can reach extraordinary heights, the control mechanisms through which children are subjugated to organised abuse rest upon the socially legitimised power of their abusers, who are usually parents, relatives or other authority figures. Since the practices of power through which children are entrapped in organised abuse are normative and widespread, organised abuse is rarely detected in the circumstances in which it arises. Nonetheless, this study has brought to light multiple intervention points through which organised abuse can be disrupted and the harms of organised abuse ameliorated, and identifies a number of opportunities for intervention.

Author abstract

Child Sexual Abuse Nigel Parton, Corrine Wattam, 1999-10-25. This important volume explores children's needs in the context of the policy, practice, legal and organisational responses to child sexual abuse. The chapters written by distinguished experts in the field provide a critical appraisal of recent developments and key debates concerning how to respond to child sexual abuse. The emphasis is on keeping the child central in responding to child sexual abuse, particularly in the context of refocusing children's services. The book is organised around a series of themes identified by survivors of sexual abuse from the National Commission into the Prevention of Child Abuse. These themes include justice, mediation, advocacy, confidentiality, communication, treatment, healing.

surviving family support community perpetrators institutional abuse All of these areas provide major challenges to professionals and health welfare and legal agencies The authors provide practitioners with suggestions on how to meet children's needs whilst satisfying policy and procedures This timely volume provides a child focused exploration of children's needs tackles key sources of conflict in practice makes recommendations to practitioners for practice and policy development The book includes discussion on how far the legislative framework meets the criteria for child victims survivors of sexual abuse and survival and healing strategies from the survivor as expert point of view It also addresses issues concerned with interviewing children arising from the Memorandum of Good Practice Child Sexual Abuse Responding to the Experiences of Children is an essential resource for social work practitioners managers and trainers health visitors solicitors and lawyers involved in legal work with children police officers teachers and all those on related courses *International Conference on Child Sex Abuse Victim Protective Investigation & Trial Procedure*, 1996

Young Men Surviving Child Sexual Abuse Andrew Durham, 2003-06-02 Young Men Surviving Child Sexual Abuse examines a largely neglected area in child protection the sexual abuse of boys Andrew Durham a consultant social work practitioner describes his original research undertaken with young men close to or in the midst of adolescence The book features extensive narrative as the life story approach taken allows the young men to theorise their own experience and to understand how and why child sexual abuse has had a harmful and long lasting impact on their day to day lives Alongside the research stories the author presents a theoretical framework for understanding male sexual abuse as well as a wide range of accessible practice materials This book will be invaluable to those working with children and young people who are recovering from child sexual abuse

Women Who Sexually Abuse Children Jacqui Saradjian, Helga G. I. Hanks, 1996 This work is based on in depth research with more than fifty women who have sexually abused children and therapy that has been carried out with several such women It describes many aspects of their lives childhood own abuse histories and adult relationships with partners and peers *The Social and Health Needs of Sexually Abused and Exploited Children*, 1999 Includes directory of organizations involved in the issue and case studies

Missing and Sexually Exploited Children in the EU Gert Vermeulen, H. de Pauw, 2004 The first part of the project resulted in a book entitled Missing and sexually exploited children in the EU Epidemiological data The book stresses the importance of EU wide multidisciplinary and integrated efforts between competent authorities and civil society organisations in collecting epidemiological data as a basis for improved knowledge based policy making in the area of missing and sexually exploited minors It comprises country reports of all 15 EU Member States Each country report provides essential definitional information regarding the various forms of sexual exploitation of children and types of missing children outlines the way data collection on sexual exploited and missing children by various governmental police judicial other and non governmental actors is organised and deliver available data on the phenomena concerned A final comparative report bridges the country report information into a first Union wide epidemiological state of the art thus showing that current data

collection is organised in a very chaotic and poor fashion At the same time the report identifies the main weaknesses and shortcomings of applied data collection methods It also offers a set of recommendations for both Member State and EU action in striving for improved and integrated ways of collecting administering and centralising reliable comparable and comprehensive data on the various forms of missing and sexually exploited children Feminists Organising Against Gendered Violence Lesley McMillan,2007-10-23 Violence against women is a key concern for society and feminism Organizing for social political and legal change in relation to violence is a pressing issue and through the critical appraisal of approaches adopted by the anti violence movement in a variety of countries this book informs future strategy and approaches when organizing against violence Lesley McMillan provides the first detailed comparative account of women s anti violence movement in Western countries ideally suited for upper level students interested in this fascinating topic Sexual Harassment and Abuse in Sport Celia Brackenridge,Kari Fasting,2002 This work looks to increase awareness of sexual abuse in sports Topics covered include the experiences of elite female athletes sexual harassment of women in athletics as compared to the world of academia the prevalence of sexual abuse in organized competitive sports in Australia and defining appropriateness in coach athlete sexual relationships Independant Publishers **Victims, Crime and Society** Pamela Davies,Peter Francis,Chris Greer,2017-04-13 This book provides a thorough account of victimisation across the social spectrum of class race age and gender The second edition has been fully revised and expanded with two parts now spanning the key perspectives and issues in victimology Covering theoretical social and political contexts the book Includes new chapters on defining and constructing victims fear and vulnerability sexuality white collar crime and the implications of crime policy on victims Examines a global range of historical and theoretical perspectives in victimology and features a new chapter on researching victims of crime Reinforces your learning through critical thinking sections future research suggestions chapter summaries and a glossary of key terms Victims Crime and Society is the essential text for your studies in victimology across criminology criminal justice community safety youth justice and related areas *Ritual Abuse in the Twenty-first Century* Pamela Perskin Noblitt,2008 Allegations of ritual abuse are universal and mental health professionals theologians law enforcers scholars victim advocates and others struggle to comprehend the enormity of the devastation left in the wake of these heinous acts Ritual Abuse in the Twenty first Century addresses the concerns that naturally evolve from any discussion of this phenomenon from the perspectives of professionals advocates and survivors from around the world eight countries seven states in the U S How valid are the survivors stories Is there evidence What are the consequences of these acts to the individual and society Why have these allegations been ignored or discredited whenever they have surfaced The authors of these chapters respond to these and other questions in an effort to illustrate the constellation of psychological health legal criminal societal and spiritual ramifications of ritual abuse Chapters address current issues including ritually based crime civil suits involving allegations of ritual abuse that are universal The value of understanding ritual trauma for

diagnostic and treatment applications is discussed Practical Guidelines to the Assessment of the Sexually Abused Child
Patricia A. M. Horsham, Dr. John Bradford, Hilary McCormack, 1989 *Child Sexual Exploitation by Organised Networks*
