**Evaluating Organization Development** Maureen Connelly Jones, William J Rothwell, 2017-07-06 *Evaluating organization development*

OD and change is critical for any executive team project manager or consultant who wants to see the change effort sustain and successfully evolve Evaluation can be the key to enacting real change that makes sense to the team your customers and your stakeholders while seeing your strategic plan make crucial differences The process of evaluation is often missing from change initiatives and many previous books have glossed over the topic but Evaluating Organization Development How to Ensure and Sustain the Successful Transformation makes planning implementing and then assessing your change efforts simple With handy how to lessons pull out tools that are ready to use and case studies that guide the implementation of each step your team will be able to show the impact and justify the resources for each project In addition your team benefits from this step by step guide because they too will now understand their role and be connected to meeting the challenge of each metric When the team understands the goal and how to achieve it everyone wins **Handbook of Organization**

**Development** Thomas G. Cummings,2008 The contributors reflect the field of organizational development s rapid growth and success since its inception 50 years ago into a far more complex study than it was just a few decades ago They show how organizational development has expanded from dealing with internal problems to the need to address more strategic issues

**Organizational Communication and Behavior** Allan D. Frank,Judi Brownell,1989 *Organization Development* Janet Cooper Jackson,2006 This work addresses the human and social dynamics of change on organization members The effects of such changes ultimately influence the success or failure of the organization s change initiatives Rather than focus on the process or technology of change as many previous works have done the premise of this work is to address the human dynamics that are crucial for any change initiative to be effective In essence Jackson emphasizes that people do indeed come first for any plan involving organizational change Other important factors addressed in Organizational Development include considering the entire organization and understanding that each change affects the entity as a whole recognizing organizational learning as a key to inspiring members to learn together and the development of a cadre of leaders who are willing to take the organization forward as opposed to solitary leadership This work is ideal for students or practitioners of Organization Development OD and provides methods and practices that focus on improving the effectiveness of organizations *Organization Development and Transformation* Wendell L. French,Cecil Bell,Robert A. Zawacki,1994
