Original Dog Bible The Definitive Source For All Things Dog

John Greenfieldt, Patrice Bartell

Original Dog Bible The Definitive Source For All Things Dog:

The Original Dog Bible Kristin Mehus-Roe, 2011-10-04 The woofstastic second edition This attractive copiously illustrated easy to understand volume covers every aspect of responsible dog ownership Library Journal The revised and expanded second edition of the bestselling The Original Dog Bible remains the most comprehensive dog lover's resource on the market The book is divided into eight parts each fully illustrated and designed for easy reference plus helpful entertaining sidebars covering hundreds of related topics With detailed chapters on the requirements of caring for a dog health training and so much more this book will prepare you for a wonderful life with a dog Also included is a catalog of over 250 purebred dog breeds with insightful articles for each Being a veteran veterinarian of twenty five years and a lifetime pet lover I can enthusiastically say this old doc learned new tricks upon reading the consummate book on all things dogs I highly recommend it Dr Marty Becker former resident veterinarian on ABC's Good Morning America and coauthor of Chicken Soup for the Dog Lover's Soul This comprehensive book certainly lives up to its subtitle The best part of the book however covers life with a dog with sections on pet care partners like sitters and walkers emergencies lost dogs biting traveling with a dog and a fantastic chapter on activities one can do with one's dog Publishers Weekly [Bike With Your Dog](#) J. Leslie Johnson, 2014-04 Bike With Your Dog tells dog lovers how to safely bike with their dogs and have fun at the same time For many high energy dogs a walk on the leash is simply not enough Dogs love to run and biking enables them to get the exercise they need This handy guide shows you how to spend high quality time with your dog get exercise and enjoy the outdoors all at the same time **Going to the Dogs** Gwyneth Anne Thayer, 2013-06-13 In the 1970s sitcom The Odd Couple Felix and Oscar argue over a racing greyhound that Oscar won in a bet Animal lover Felix wants to keep the dog as a pet gambling enthusiast Oscar wants to race it This dilemma fairly reflects America's attitude toward greyhound racing This book the first cultural history of greyhound racing in America charts the sport's meteoric rise and equally meteoric decline against the backdrop of changes in American culture during the last century Gwyneth Anne Thayer takes us from its origins in coursing in England through its postwar heyday and up to its current state of near extinction Her entertaining account offers fresh insight into the development of American sport and leisure the rise of animal advocacy and the unique place that dogs hold in American life Thayer describes greyhound racing's dynamic growth in the 1920s in places like Saint Louis Chicago and New Orleans then explores its phenomenal popularity in Florida where promoters exploited its remote association with the upper class and helped foster a celebrity culture around it By the end of the century media reports of alleged animal cruelty had surfaced as well as competition from other gaming pursuits such as state lotteries and Indian casinos Greyhound racing became so suspect that even Homer Simpson derided it In exploring the socioeconomic political and ideological factors that fueled the rise and fall of dog racing in America Thayer has consulted participants and critics alike in order to present both sides of a contentious debate She examines not only the impact of animal protectionists but also suspected underworld ties

longstanding tensions between dogmen and track owners over racing contracts and the evolving relationship between consumerism and dogs She captures the sport s glory days in dozens of photographs that recall its coursing past or show celebrities like Frank Sinatra and Babe Ruth with winning racing hounds Thayer also records the growth of the adoption movement that rescues ex racers from possible euthanasia Today there are fewer than half as many greyhound tracks in half as many states as there were 10 years ago and half of them are in Florida Thayer s in depth meticulously balanced account is an intriguing look at this singular activity and will teach readers as much about American cultural behavior as about racing greyhounds

Best Hikes with Dogs Central California Linda Mullally,Dave Mulally,2008-03-05 [CLICK HERE](#) to download a free hike from Best Hikes with Dogs Central California Guidebook to 55 dog friendly hikes in California s Central Coast Carmel Valley Big Sur and the Sierra Nevada Tips on trail etiquette trip preparations finding appropriate routes for your dog reducing environmental impacts and more Most up to date info on leash laws and regulations Central California has it all gorgeous coastal parkland mountainous wilderness areas and everything in between Hiking with your dog in Central California has never been easier for residents and visitors alike This guide includes dog friendly trails between Santa Cruz and San Luis Obispo stretching across the Central Valley eastward to Lee Vining and southward to Lone Pine These trails are not only legal for canine hikers but also welcoming and safe Additionally this guide presents information on hiking responsibly with your dog what to do when you encounter other hikers tips on minimizing negative impacts and skills for preparing your dog for a hike in the varied terrain of Central California
