Comments From Other Readers I ve made two of the throws from this book and they both turned out great The instructions were plenty clear enough for me a barely intermediate knitter I was able to complete both garments with no help except to look up a couple things in a basic knitting reference book The instructions at the beginning were a huge help though Any one of these sweaters or other projects like the pillows would make great gifts for the pet owners you know Lois New Brunswick Canada I was a bit hesitant to buy this as I have a cat Have you ever tried to put a sweater on a cat Long story short with mine it doesn t end well and the cat never wore the sweater I love that this book has more than just clothing options She was fearless hunter with the duck and has eagerly for a cat claimed the snuggly blanket as her new throne to rule the house from I was happy to find that the patterns were easy to put together and the instructions were straight forward Kelli Ohio US Tags pets crafts pet crafts knitting crocheting dog cat toys knit blanket knit toys gifts crochet crochet 101 beginners easy patterns novice crochet crocheting one day crochet learn to crochet crochet patterns afghan projects
