*Music Production in the Music City* Yanto Browning, 2025-04-01 Music Production in the Music City considers how music is produced in specific urban contexts Music Production in the Music City features four case studies from a diverse set of cities Berlin Nashville Chennai and Brisbane to investigate how music comes to be created in locally specific music production contexts These case studies inform a thorough examination of the various factors that shape music production practices specific to urban contexts The author uses a new conceptual framework called the undersong to analyse the aural foundations of a city examining how policy design can help or hinder a productive music production scene This is a cutting edge contribution to music city studies and will be of great interest to researchers postgraduates and advanced undergraduates studying music production and world music This book will also be of interest to those involved in urban policy work related to the live and recorded music industries

**Noise Uprising** Michael Denning, 2015-08-18 Noise Uprising brings to life the moment and sounds of a cultural revolution Between the development of electrical recording in 1925 and the outset of the Great Depression in the early 1930s the soundscape of modern times unfolded in a series of obscure recording sessions as hundreds of unknown musicians entered makeshift studios to record the melodies and rhythms of urban streets and dancehalls The musical styles and idioms etched onto shellac disks reverberated around the globe among them Havana s son Rio s samba New Orleans jazz Buenos Aires tango Seville s flamenco Cairo s tarab Johannesburg s marabi Jakarta s kroncong and Honolulu s hula They triggered the first great battle over popular music and became the soundtrack to decolonization

*The Palgrave Handbook of Critical Music Industry Studies* David Ardit, Ryan Nolan, 2024-09-28 The Handbook of Critical Music Industry Studies provides students and researchers with the means to think about how the performance recording and publishing of music could be if we do things differently People are hungry for a more equitable music performance and recording system The industry exudes patriarchy white supremacy cultural imperialism ableism and worker exploitation In the context of gendered e g MeToo and TimesUp and racialized e g Black Lives Matter inequity rampant precarity and casualization and modes of musical dissemination that are changing faster than policymakers and regulatory bodies can keep up with the timing for assembling such an interdisciplinary collection could not be more appropriate Essays in this handbook will tackle power structures at root in the music industry and the academic study of the field Topics covered include the politics of representation and power in the global music industries the labor of music music as media including data and algorithmic culture and copyright intellectual property among others Chapter 35 is available open access under a Creative Commons Attribution 4.0 International License via [link.springer.com](https://link.springer.com)
