practicing psychotherapy for thirty five plus years Dale Perrin knows a thing or two about changing one's lot in life. After all she's had to do it herself. *I Wrote the Script but I Want to Change the Ending* is her inspirational autobiography telling the story of a woman determined never to let her past dictate her future. Using her unique voice Perrin depicts her challenges as a single woman living and working in small Canadian cities from the 1940s to the late 1990s. She details her struggles with patriarchy, chauvinism, institutional systems and living with multiple sclerosis, yet shows how the healing power of love and the essential goodness of humanity sustained her. With a dose of wit and a large helping of humility, Perrin takes you through the ages and stages of her life, revealing how you can change your circumstances by differentiating between what the world expects of you and what you expect from yourself. Uncover patterns of thoughts, feelings and behaviors that may be sabotaging your efforts to be the best of who you are and take a lesson from Perrin: it's never too late to rewrite the ending of your script.

Emma Quinn has built the perfect business helping other women avoid her own wedding disaster. Five years after being left at the altar, she's turned her heartbreak into BridesBestie Co., providing professional bridesmaids for Chicago's most demanding brides. Emma's world is organized, controlled and safely romantic, free exactly how she likes it. Until she's hired for the most unusual job of her career. Influencer bride Savannah Hartley wants to stage a fake wedding rehearsal for publicity, complete with photographers and a fabricated backstory. The pay is enormous, the exposure invaluable, and Emma should probably say no. Instead, she finds herself agreeing to pose as the maid of honor, which means working closely with Liam Ford, the groom's older brother and the most cynical best man she's ever met. Liam is a documentary filmmaker who sees through every performance, questions every motive and has no patience for the wedding industry's manufactured magic. He thinks Emma's business is built on lies, their fake friendship is ridiculous and the whole rehearsal is an elaborate publicity stunt. He's not wrong. But he's also not prepared for Emma's sharp wit, hidden vulnerability and the way she makes him want to stop observing life and start living it. As they navigate staged photos and media

interviews the line between performance and reality begins to blur Emma finds herself falling for a man who sees past her professional facade to the woman she's been hiding Liam discovers that the person he thought was all about surface appearances is the most authentic person he's ever met But when their fake relationship starts feeling real Emma's carefully constructed walls begin to crumble She's spent five years protecting herself from the kind of love that could destroy her again Can she trust Liam with her heart or will letting down her guard lead to another devastating betrayal Set against the backdrop of Chicago's elite wedding scene *The Wedding Rehearsal* is a contemporary romance about the courage it takes to love authentically in a world obsessed with perfect appearances It's a story about second chances the difference between performing happiness and living it and finding someone worth risking everything for
