Side Hustle for Full time workers Vathani Ariyam, *Side Hustles for full time workers* It is a helpful eBook for those who look to make extra money as they struggle with their lower paid job. Many struggle to get better income from a 9-5 job but it stays the same forever apart from the slight annual increase. Today inflation escalates considerably compared to the yearly accumulation of workers in lower paid jobs. Then the bonus they get once a year could make them survive happily only for that month. When we check our monthly expenses like rent electricity food clothing and transportation the monthly income hardly covers the expenses. That makes people start to look for a side that is the main reason I wrote this eBook. Could you tell me what you'll learn here? What is a side hustle? How to make money from it? What are the types of side hustles? How do you make your selection? How do you cope with your job and the side hustle? What is the way to make this a business?
