Whisper in the Heart Parvati Markus,2022-08-30 Neem Karoli Baba a great Indian saint left his body in 1973 but his presence has continued unabated Even without his physical form he has appeared to thousands of individuals across the globe in dreams and visions in meditation and out of the blue in broad daylight He comes to open hearts with a blast of unconditional love to bring comfort and aid in response to calls for help and as a reminder that we are indeed all One But doubt often strikes after an experience in which one feels such profound divine love It was only a dream Maybe I imagined it I never met him in person how do I know it was him The mind steps in to discount what the heart knows to be true Whisper in the Heart validates these experiences by recounting the stories of over 150 people and the ways in which they met Maharajji as he is fondly known For some it was while chanting at a kirtan while at a spiritual retreat while looking at a photograph or as in some of the more extraordinary stories when he shows up on a desperate women s doorstep in France brings years of abuse to an end for a nine year old child in Australia dances on a beach in Miami or appears to a policeman in Taos New Mexico Maharajji himself used to say When you think of me I ll be there In this book you will see how he is fulfilling that promise Back cover *Immunology of Milk and the Neonate* Jiri Mestecky,Claudia Blair,Pearay L.
