Box Office Discount:

Box Office ,1962 *If I Can Make It There, I Can Make It Anywhere* M. Stefan Strozier,2017-03-10 In this comprehensive first and one of its kind book playwright and producer M Stefan Strozier will guide you through how to produce a play or a musical in New York or Regional Theater and how to become a professional producer yourself The author will explain how to successfully produce theater on a shoestring based on real experience and budgets in New York where he was able to mount full productions at a tenth of what everyone else was doing All aspects of theater are covered in great detail from acting to lights to finding investors and much more Every obstacle is anticipated and given a solution Tips and information are included on obtaining 501c3 non profit status and operating a non profit theater company **Ticket Scalping** Kerry Segrave,2006-11-15 Ticket scalping is as much an American staple as apple pie Beginning as early as the mid 1800s scalpers known as sidewalk men were charging all the traffic would bear for event tickets Although these speculators were generally viewed as pariahs and public opinion was against the practice legal attempts to limit their activities were far from successful Boston enacted laws as early as 1873 while Pennsylvania followed suit in 1884 Still such measures did little good since some laws were declared unconstitutional and for the ones that were upheld the fines were negligible with jail time rarely served Over the years as moral objections to scalping dimmed the public became more tolerant as the practice became increasingly prevalent By the 1990s the capitalist mantras of free market and economic principles of supply and demand were even being used to justify the practice This volume details the ways in which scalping has changed over the years from a one man business to an agency controlled enterprise from performances by Jenny Lind to Billy Joel The book examines the general situation public opinion and legal perception of scalping for four distinct periods 1850 1899 1900 1917 1918 1949 and 1950 2005 Emphasis is placed on the ways in which public and legal perception of the practice has evolved over this period Scalping slowly gaining a more positive status has become more accepted as part of the economic practice of free markets **New Perspectives On Indian Cinema** Jaime López-Díez,2021-12-31 Los Carmelitas Descalzos no pudieron estudiar grados académicos hasta el Concilio Vaticano II 1962 1965 circunstancia que impidió su ejercicio como profesores universitarios al contrario que el resto de integrantes de las demás ordenes Mendicantes No obstante su labor docente fue variada y pr spera como se comprueba y se detalla a lo largo de los diversos capítulos del libro aunque siempre bajo el carisma de una finalidad concreta que nacieran y se consolidaran vocaciones religiosas Esta monografía ofrece un recorrido completo sobre la historia de los Colegios Carmelitanos desde la fundación de la Orden en el siglo XVI hasta la actualidad Es el resultado de un trabajo de investigación serio y riguroso a partir de fuentes documentales y bibliográficas inéditas o de difícil acceso cuyo objetivo es dar a conocer la acción pedagógica desarrollada por la Orden del Carmen Descalzo Un libro de referencia para profundizar en la Historia de la Educación en España y en la Historia de la Iglesia en los últimos cinco siglos scarIgnacio Aparicio Ahedo Burgos 1970 es Doctor en Humanidades por la Universidad Rey

Juan Carlos 2020 Asimismo es Licenciado en Ciencias Eclesi sticas 1995 en Historia 2003 y en Teolog a Historia de la Iglesia 2009 Pertenece a la Orden del Carmen Descalzo En la actualidad es director del Archivo Silveriano de Burgos tras haberlo sido del Archivo General de Roma 2009 2015 Tambi n es Profesor en la Facultad de Teolog a del Norte de Espa a sede Burgos
