*Living Age* ,1898 **The Living Age** ,1898 **Sir Gawain and the Green Knight and the Order of the Garter** Francis Ingledew,2006 Francis Ingledew s book makes the case that Sir Gawain and the Green Knight one of the canonical works of medieval English literature should be recognized as a response to King Edward III s foundation in 1349 of the chivalric Order of the Garter As well as providing the basis for a thorough reinterpretation of the poem s purposes and meanings this argument dates to the mid fourteenth century reign of Edward III 1327 77 a poem conventionally ascribed to the reign of Richard II 1377 99 Through close readings of the poem and of an array of overlooked historical sources Ingledew presents Sir Gawain and the Green Knight as a critique of Edward III s sexual and military behavior Ingledew s argument takes him deep into chivalric practice in Edward s court of the 1340s much of it connected with the early years of war with France Ingledew pursues the significance of sexual scandal associated with Edward especially the rape of the Countess of Salisbury confidently imputed to him by the formidable Li gois historian Jean le Bel At the same time that he was trying to conquer France and Scotland and preside over a court vulnerable to scandal Edward also called on the history as it was seen of King

Arthur and the Round Table associating himself with Arthur's imperial and moral authority through the founding of the Order of the Garter. In its portrayal of the Order of the Garter, Ingledew argues Sir Gawain and the Green Knight sets itself at odds with Edward's central ethical and political projects. Exhaustively researched and insightfully theorized, Ingledew's study proposes historical, cultural, and discursive contexts for Sir Gawain and the Green Knight more comprehensive and more persuasive than any hitherto attempted. It sets an exalted critical and scholarly standard against which to judge future interpretations of this complex and elegant poem. Robert Hanning, Columbia University
