**The Stress Test Every Business Needs** Jeffrey R. Greene, Steve Krouskos, Julie Hood, Harsha Basnayake, William Casey, 2018-09-05 Future proof your business today for stronger performance tomorrow The Stress Test Every Business Needs A Capital Agenda for Confidently Facing Digital Disruption Difficult Investors Recessions and Geopolitical Threats provides a comprehensive approach to creating value and flexibility in an increasingly volatile business environment that presents both great risks and opportunities every day The authors extend the banking stress test concept to a company's Capital Agenda how executives manage capital execute transactions and apply corporate finance tools to strategic and operational decisions Having a static Capital Agenda however appropriate for your current market position is not enough in today's uncertain world Long term success comes from building resilience into each element and in the way those elements interact The book uses a broader definition of business stress that includes traditional macroeconomic and geopolitical risks as well as technological disruption hostile takeovers and activist shareholders Companies that make poor strategic decisions or underperform operationally will likely find themselves facing great stress And that stress is symmetric threats come from downside risks and from missed opportunities The chapters address the how and why of essential issues such as Formulating corporate strategy in a digital world Preempting activist shareholders Restoring distressed companies to operational and financial health Ensuring effective collaboration among strategy finance and operations Getting the most out of your advisors Proactively managing intrinsic value Rigorously allocating capital across the enterprise Acquiring and divesting for optimum value Syncing financing decisions with business strategy and capital market conditions Incorporating tax planning throughout the Capital Agenda Liberating excess cash with leading working capital management practices Aligning strategic goals and metrics to reach your company's full potential Companies that develop strategy and set operational priorities with a balanced Capital Agenda are best positioned to control their own destiny The Stress Test Every Business Needs provides a roadmap to future proof your business today for stronger performance tomorrow

**New Business and Regulatory Strategies in the Postal Sector** Pier Luigi Parcu, Timothy J. Brennan, Victor Glass, 2019-02-13 This book addresses major issues facing postal and delivery services throughout the world Worldwide there is currently a considerable amount of interest in postal and delivery economics The industry is reacting to a state of near crisis and is implementing different drastic changes The European Commission and member States are still wrestling with the problem of how to implement entry liberalization into postal markets how to address digital competition and how to maintain the universal service obligation USO The Postal Accountability and Enhancement Act of 2006 in the U.S. has perhaps created and exacerbated the problems faced by USPS Digitalisation technological development and online platforms are strongly affecting both the way postal and delivery operators are managing their services as well as their role on the market Strong emphasis was attributed to the assets of Postal Operators POs and their added value in the digital age as well as on new business strategies This

volume presents original essays by prominent researchers in the field selected and edited from papers presented at this year's 26th Conference on Postal and Delivery Economics held in Split Croatia from May 30 June 2 2018 Topics addressed by this volume include quality of service last mile solutions and competition in the liberalized market This book will be a useful tool not only for graduate students and professors but also for postal administrations consulting firms and federal government departments
