## **Morning Routine Foldable Phone Price:**

**The Working Gal's Guide to Babyville** Paige Hobey, Allison Nied, 2009-04-29 You're an independent career woman suddenly dropped into the chaos of Babyville. You have a newborn to care for three months if you're lucky, of unstructured time to fill, a work decision to make to go back full time, part time, job share, childcare to acquire, and family finances to balance. You need someone to make you laugh during the hard times, a doctor to call in the middle of the night, and a good career counselor to boot. Never fear. Sure to become the gold standard resource during that crazy first year, *The Working Gal's Guide to Babyville* combines stories and sisterly advice from the trenches, infant care information and tips from a pediatrician, and career and budget guidance from a pro. From getting baby to sleep through the night to making the most of maternity leave, from weighing work options to finding childcare, from networking with new parents to emotionally transitioning from Ms. Independent to Mom, it offers desperately needed, easy-to-execute strategies and expert solutions on all manner of Year One issues. The essential guidebook for today's busy career moms, it's every bit as hip, smart, and savvy as the women who'll be reading it.

**Dun's International Review**, 1919 Wedding at the Graveyard Nilton Bonder, 2025-04-01 For four decades, Rabbi Bonder was immersed in spirituality and sought out by people who needed comfort. He has now transformed some of these cases into fiction. A Romanian woman, resident of Copacabana, wants to marry her dead fiancé. The discovery of a manuscript from the Inquisition, written to defame a woman, has the power to awaken lust and perversion in whomever reads it. A boy who scares his parents with paranormal powers prepares for his bar mitzvah. These are the subjects of Nilton Bonder's imagination in this collection of short stories. He writes in the tradition of the best of Isaac Bashevis Singer. Each story comes from a place bordering reality, with the unusual and inexplicable revealing the little that's required to transform the ordinary into extraordinary. With starting points from real situations, including the author himself as a young man seriously bored in the house of Abraham Joshua Heschel, each story moves into another reality.
