

## Lesson 71: Practice Reading Multisyllable Words

This lesson provides additional direct instruction and practice with multisyllable words. Remember learning and practicing how to handle these multisyllable words greatly improves your reading. I will add a light pencil mark if you need help breaking a word apart. As the student reads, have a pencil ready. Make a slashmark to indicate syllable breaks *only* if and when they need some assistance with a word.

### Practice with mixed 2 and 3 syllable words
