## **My Arab Spring My Canada:**

Hostage to History Elie Mikhael Nasrallah, 2016-01-27 People are trapped in history and history is trapped in them James Arthur Baldwin People like you all over the world are asking a serious question demanding a credible answer what happened to Arab culture and its peoples Elie Mikhael Nasrallah addresses this subject as a son of that culture and as a critic from within What is wrong really wrong with the Arab world he asks The theme of this book is it s the culture stupid Like a social science surgeon he takes the reader into the dark alleys of contemporary Arab cultural conditions and political collapse In fact he shows how the lack of freedom women s oppression sexual repression illiteracy political tyranny outdated educational system the mixing of religion and politics and the curse of oil have all led to present day catastrophic upheaval and Arab state system disintegration destruction and decay in most Arab lands He provides readers with a 12 point prescription for salvaging a civilization that has lost its way and needs to re join modernity and history *None of the Above* Elie Mikhael Nasrallah, 2014-08-27 The notion of redefining religion s role in our lives is not an academic exercise It is an urgent modern imperative This book confronts all religious dogma It challenges the idea and practice of the need for a middle man between man and God It invites the reader to consider the modern rise of the Nones the religiously unaffiliated and to join this magnificent silent social tsunami It explores with vivid and compelling narrative the story of the Nones showing the who when where and how of this revolt against religious corruption and its preoccupation with power money and politics Born in the East Lebanon living in the West Canada Elie M Nasrallah offers the reader emotion ridden stories as he draws from personal experience of the Lebanese War to highlight the role of organized religion in the Middle East and around the world The content and style are both provocative and captivating making the theme timely and timeless Are you fed up with orthodoxy and willing to free yourself from the shackles of conformity outdated practices and stale tales of the tribe If so then this book is for you **My Arab Spring My Canada** Qais Ghanem, Elie M. Nasrallah, 2012-10-01 A book by Arab Canadians about Arab Canadians written for Arab Canadians as well as Canadians at large describing the current situation of immigration into Canada and speculating on how the Arab Spring might influence the place and role of future generations of Arab Canadians in Canadian society In *My Arab Spring My Canada* authors Qais Ghanem and Elie M Nasrallah have given this country their country a valuable gift This book co authored by a Muslim and a Christian both of Arab descent both proud Canadians is a pocket guide for those who come from the Middle East as well as a useful reference for those already here Nasrallah has roots that go all the way back to the Titanic so these are hardly starry eyed or discouraged newcomers They examine immigration from earliest days to today and they look to the future with great optimism Roy MacGregor author of *Canadians A Portrait of a Country and Its People* **Cultural Production and Social Movements After the Arab Spring** Eid Mohamed, Ayman El-Desouky, 2021-04-22 This book is available as open access through the Bloomsbury Open Access programme and is available on [www.bloomsburycollections.com](http://www.bloomsburycollections.com) The so called Arab Spring challenged conventional wisdom

and certainties about the Arab world where its effects continue to be felt as well as in the diaspora This book provides an original contribution to current social and cultural theory on Arab social movements by giving a fuller historical and critical treatment of contemporary artistic and cultural production from the region and beyond Thematically structured and covering culture media politics and literary studies the book uses a range of theoretical material that engages readers in three key ways First it adopts a critical standpoint with respect to the term Arab Spring recognizing the multiple interpretations and varied geographical historical and political realities of the term Second its focus on carefully selected case studies namely Egypt Tunis Syria and Yemen adds depth to analysis of the cultural literary and artistic dimensions that operate fluidly across the Arab world Third it presents a methodological case study for the growing community of researchers involved in interdisciplinary education Together the contributors to the book show how the interplay of politics culture and media across varied locations has and continues to shape emergent Arab social forms and a region on the cusp of historical and cultural change

Arab Dawn Bessma Momani, 2015-11-26 In the West news about the Middle East is dominated by an endless stream of reports and commentary about civil war sectarian violence religious extremism and economic stagnation But do they tell the full story For instance who knew that university enrolment in the war torn Palestinian territories exceeds that of Hong Kong or that more than a third of Lebanese entrepreneurs are women Change is on its way in the Middle East argues Bessma Momani and its cause is demographic Today one in five Arabs is between the ages of fifteen and twenty four Young optimistic and increasingly cosmopolitan their generation will shape the region's future Drawing on interviews surveys and other research conducted with young people in fifteen countries across the Arab world Momani describes the passion for entrepreneurship reform and equality among Arab youth With insightful political analysis based on the latest statistics and first hand accounts Arab Dawn is an invigorating study of the Arab world and the transformative power of youth

**Democracy in Canada** Donald J. Savoie, 2019-09-02 Canada's representative democracy is confronting important challenges At the top of the list is the growing inability of the national government to perform its most important roles namely mapping out collective actions that resonate in all regions as well as enforcing these measures Others include Parliament's failure to carry out important responsibilities an activist judiciary incessant calls for greater transparency the media's rapidly changing role and a federal government bureaucracy that has lost both its way and its standing Arguing that Canadians must reconsider the origins of their country in order to understand why change is difficult and why they continue to embrace regional identities Democracy in Canada explains how Canada's national institutions were shaped by British historical experiences and why there was little effort to bring Canadian realities into the mix As a result the scope and size of government and Canadian federalism have taken on new forms largely outside the Constitution Parliament and now even Cabinet have been pushed aside so that policy makers can design and manage the modern state This also accounts for the average citizen's belief that national institutions cater to economic elites to these institutions own members and to interest

groups at citizens own expense A masterwork analysis Democracy in Canada investigates the forces shaping the workings of Canadian federalism and the country s national political and bureaucratic institutions      **Canada** Samy Appadurai,2020-09-14 Canada The Dynamics of Global Immigration is a thoughtful book filled with facts and interesting stories It is also a refreshing take on the issue of global migration and where Canada fits into this very large and complicated human mosaic      *The Canadian Magazine* J. Gordon Mowat,John Alexander Cooper,Newton MacTavish,1899      *The Canadian Magazine* ,1899      *The Canadian Magazine of Politics, Science, Art and Literature* ,1899      **The Canadian Magazine** ,1917      *Canadian Magazine of Politics, Science, Art & Literature* ,1899      *Canadian Cattlemen* ,1951      **The Canadian Jewish Outlook Anthology** Henry Michael Rosenthal,Seemah Cathline Berson,1988      *The Economist* ,2012

**Trübner's American, European and Oriental literary record** ,1886      **Trübner's American and Oriental Literary Record** ,1884 A monthly register of the most important works published in North and South America in India China and the British colonies with occasional notes on German Dutch Danish French Italian Spanish Portuguese and Russian books
