**A World Made for Money** Bret Wallach,2015-05 A spirited and incisive survey of economic geography A World Made for Money begins with the author stopped at a red light in Norman Oklahoma Observing the landscape of drugstores and banks and for that matter the stoplight and roads themselves Bret Wallach observes Everything I see has been built to make money or at the very least to facilitate making money This he argues is a global phenomenon that nonetheless has occurred only within the past hundred years or so Although guidebooks and culture brokers often disparage these landscapes of commerce Wallach recipient of a MacArthur genius grant argues that we would do well to pay them close attention A World Made for Money provides a compelling condensed tour of our world From Silicon Valley to Sri Lanka from post Soviet Russia to post apartheid South Africa Wallach looks at how human beings are buying manufacturing working growing and shipping food and accessing the natural resources to fuel it all These essential facets of daily life propelled by the profit motive represent a transnational force shaping our surroundings and environment in ways that may not always be beautiful or even healthy but that are fundamental to understanding how the world works in the twenty first century Wallach examines the relationship between acquisitiveness and landscape reveals surprising contradictions and nuances and provides fresh perspective on politically charged topics such as sprawl deindustrialization and agribusiness

Roulac,2004    **Retail 101: The Guide to Managing and Marketing Your Retail Business** Nicole Reyhle,Jason Prescott,2014-07-04 YOU CAN COMPETE WITH THE BIG BOX STORES Whether you're a seasoned merchant or retail newbie Retail 101 is the guide you need to successfully manage market and grow your retail business brick and mortar or online From two of today's top retail thought leaders Retail 101 serves both as a strategic planning guide and as a hands on practical reference that answers your critical questions along the way The ultimate how to guide for independent retailers Each chapter addresses a vital ingredient for retail success including helpful ideas useful lists and action guides Ted Teele Chief Executive Officer SnapRetail While small retailers may feel like an endangered species those who read this practical guidebook to retail survival will come away confident that they have unique assets they can turn into sustainable profits Molly Love Rogers President and CEO of Internet Retailer If you've ever felt alone or frustrated building your business read this book today Joe Abraham founder of BOSI Global author of Entrepreneurial DNA    [On Fire for God](#) Josiah Hesse,2026-01-13 One part Educated one part rebuttal to Hillbilly Elegy On Fire for God explores the ways evangelical Christianity has preyed upon its followers while galvanizing them into the political force known today as the Christian right Exvangelical journalist Josiah Hesse grew up in the stifling working class town of Mason City Iowa raised in the institutions of fundamentalist Christianity a toxic mixture of schools ministries and religious camps that taught creationism instilled sexual shame and foretold horrific tales of the rapture In the churches where he worshipped pastors siphoned their flocks wealth while preaching a doctrine of prosperity Meanwhile as economic struggles grew in the community Hesse's fellow believers lambasted organized labor and shunned the social safety net becoming an army for God against the evils of progressivism Only upon escaping Iowa in search of something more would he consider the possibility that the world wasn't about to end and that he was woefully unprepared for a future he'd never believed would arrive Written in vivid prose On Fire for God is both an unflinching memoir of religious trauma and survival and a stirring examination of the emotional political and sociological effects of the Christian right Returning to his hometown in search of answers about his upbringing and the political forces at work in the region Hesse calls into question prevailing theories about the disappearing working class that point to opioids automation or globalism as the culprits His story of awakening and escape exposes how conservative Christian con men have over generations trapped working class believers in an isolated bubble of racism xenophobia and self imposed martyrdom while stripping communities like his of their wealth and self esteem In On Fire for God Hesse plumbs the depths of his own experience to illuminate with deep feeling and piercing immediacy what he describes as the socioeconomic tragedy of the American working class    *[Time Based Competition. The Key Driver of Global Market Performance](#)* Timothy Mwangi Nduru,2019-02-20 Research Paper undergraduate from the year 2019 in the subject Business economics Business Management Corporate Governance Dedan Kimathi University of Technology course MSC supply Chain Management language English abstract Competition is a key driver of global market performance For many

decades businesses have been excelling based on the strategy adopted by the management Notably the wrong choice of strategy is likely to derail the firm from achieving its potential This paper discusses one of the main business strategies that has been warmly embraced in the last decade Time based competition has for the past few decades been a key driver of competition in the global market The paper discusses four main bases of time competition which includes Product Development and Introduction Time Material Lead Time Delivery Time and Throughput Time Notably all these time bases for competition affects the global market performance of an organization in different ways Additionally the measures needed to determine the effect of time as a basis for competition in global competition has been discussed in details In determining the effectiveness of the time based competition as a strategy the management has to asses several measures Such measures include profitability growth in market share customer s satisfaction increased productivity and sales Throughout the paper it is evident that time based competition is a crucial driver of global market performance as opposed to quality and cost based competition which are considered to be more of enablers in the business environment than drivers In summary time based competition should be fully embraced by light minded managers that seek to remain relevant in the competitive global market
