Karp,2003 In an ideal world an operating system would do its work in the background while you did your work in the foreground In our world however operating systems constantly get in the way and Windows XP is no exception There hasn t been such a dramatic change in Windows computing since the introduction of

Windows 95 Windows XP contains dozens of important new features designed to make your work easier including improved performance but also introduces numerous quirks and unaccountable behaviors that are guaranteed to increase your level of perplexity and frustration O'Reilly's popular series for troubleshooting Windows comes to the rescue with Windows XP Annoyances This book is not designed to complain or criticize but to acknowledge the problems and shortcomings of the operating system in order to overcome them Complete with a collection of tools and techniques this book allows users to improve their experience with Windows XP and establish control of the machine rather than the other way around Based on the author's popular Windows Annoyances web site <http://www.annoyances.org> Windows XP Annoyances offers solutions tips workarounds and warnings that enable you to both customize and troubleshoot Windows including Understanding the Windows Registry including the use of the Registry Editor and advanced topics such as finding the right Registry Keys and restoring a corrupted registry Customizing the interface beyond Microsoft's intentions including many undocumented tweaks Mastering Windows built-in networking capabilities including advanced technologies such as Internet Connection Sharing Remote Desktop sharing and virtual private networking Repairing Windows XP now that the DOS safety net is gone As author David Karp says The more you know about a tool you use specifically Microsoft Windows XP the better your day to day experience with it will be Windows XP Annoyances is the intermediate and advanced Windows user's best resource for turning Windows into the user friendly customizable interface it was meant to be

Windows Me Annoyances David Karp, 2001-03-26 In an ideal world an operating system is a collection of software that handles a computer's dirty work invisibly quickly and most of all painlessly For many of us however Microsoft Windows exists outside this ideal world We are annoyed by personalized Menus that keep changing icons we don't use cluttering up our workspace periodic crashes unintelligible error messages and inadequate documentation to help us figure it all out Windows Me Annoyances has the insider information you need for overcoming Windows many annoyances and limitations Whether you're looking to finally solve a nagging problem dramatically improve system performance or customize the interface to better suit your work habits the Windows Me Annoyances solution oriented format makes finding information and implementing solutions easy and pain free Thanks to the thorough and relevant documentation on the registry Windows Scripting Host and Windows built-in networking capabilities customizing and improving Windows Me is easier than ever Based on the author's extremely popular Annoyances.org web sites Windows Me Annoyances delivers an authoritative collection of techniques and tools for customizing Windows Me including Several approaches and hidden tools for working with the Windows registry the database of system and application specific configuration information How to bypass Windows roadblocks such as the Home Networking and System Restore wizards allowing you to take control of the processes quickly and painlessly A tutorial and reference on automation with the Windows Scripting Host as a means of eliminating many Windows Me annoyances Using third party software and utilities to handle some of the more complex workarounds and customizations Dealing with software

that overwrites your file associations and other settings without warning Windows Me Annoyances is the intermediate and advanced Windows user's best resource for turning Windows into the user friendly customizable interface it was meant to be but doesn't always manage to be on its own
